RE: CORRECTION RE: 100 Inman Street noise issue

Dear Mayor Sullivan and City Councillors:

Regarding my reference to Jo Solet, I erred in stating that she directly observed the License Commission measuring from behind a shed away from a lot line.

The truth is that Megan Brook, our neighbor, learned of the License Commission's actions with reference to a different address on Berkeley Street, where Jo Solet also lives.

My apologies for any misimpressions this error of mine may have created.

Thank you,

Skip Schloming
