RICHARD C. ROSSI

Deputy City Manager

To The Honorable, The City Council:

In response to Awaiting Report Item No. 48, regarding the possibility of allowing a right-on-red turn at the corner of Massachusetts Avenue and Cedar Street, Director of Traffic, Parking & Transportation Susan Clippinger reports the following:

The "No Turn on Red" regulations was installed on Massachusetts Avenue for drivers turning right because the crosswalk crossing Cedar Street is at the Linear Park entrance/exit. this entrance/exit is away from the corner and drivers have limited visibility of pedestrians and bicycles using this crosswalk. Therefore, it is the Department's opinion that the restriction should remain.

Very truly yours,
