WHEREAS: There have been a number of formulations raised relative to lessening the gap between the two library proposed sites; and

WHEREAS: A number of permutations include establishing a branch library at the present site of the current main library, thus placing the new main library and new branch library in the same neighborhood; and

WHEREAS: Any other uses, including the above mentioned branch, of the current main library site would require extensive work and rehabilitation, including but not limited to bringing said building up to code and in compliance with American with Disabilities Act (ADA) standards; now therefore be it

ORDERED: That said estimates to bring the Main Library into compliance with the building code be provided to the City Council before its meeting on December 11, 2000; and be it further

ORDERED: That the City Manager be and hereby is requested to consult with the Executive Director of the Disabilities Commission to report on ADA issues at both proposed library sites, said report also to be made to the City Council by December 11, 2000.

In City Council November 20, 2000.
Adopted as amended by the affirmative vote of nine members.
