ORDERED: That the City Manager be and hereby is requested to have the Department of Public Works survey the brick sidewalks in Central Square, most notably the block between Western Avenue/Prospect Street and Pleasant Street. In that block many bricks are missing and there appears to be a shifting of the sidewalk under surface causing significant damage to the brickwork done relatively recently. Can this brickwork be repaired/replaced? Are these defects related to contractor performance? If so, can the contractors be held responsible for repairs? Please report back to the City Council.
