To The Honorable, The City Council:

I am hereby requesting the transfer of \$7,000.00 in the General Fund of the Department of Veterans' Services from the Salary & Wages Account to the Other Ordinary maintenance Account. These funds available through outage, will be used to purchase computer equipment and supplies. Currently, the department is without a computer capability and as a result must process all documents manually. The new computer will allow for the automation of such documents as referrals for V.A. benefits, discharge papers, veteran burial records and emergency financial aid for veterans.

Very truly yours,
