

CITY OF CAMBRIDGE

CAMBRIDGE, MASSACHUSETTS 02139

OFFICE OF THE
CITY ENGINEER

Joan Lastovica P.E.
City Engineer

September 22, 1986

TO: Joseph E. Connarton, Acting City Clerk

FROM: Joan Lastovica, City Engineer JL

SUBJECT: Written protests to the North Mass. Avenue rezoning petition.

In response to your request for verification of square footage figures concerning the above referenced petition, please be advised of the following:

- 1) As of September 22, 1986 54 written protests have been received by this office. Of these 54, 51 have been verified.
- 2) The total square footage represented by these verified protests equals 575,145.6.
603,807.
- 3) The total area affected by the North Mass. Avenue rezoning petition, as provided by the City's Community Development Department, equals 2,564,355 square feet.
- 4) Twenty percent (20%) of the area affected by this petition is 512,871 square feet.
- 5) Therefore, the total square footage represented by the verified written protests (575,145.6) exceeds twenty percent (20%) of the area affected by the North Mass. Avenue rezoning petition (512,871).

Support data for these figures is available. Please contact this office if you need additional information concerning this matter.

→ 266,000 Sq. Ft. / 2,564,355 = 10.3%
