REGISTERED

-Dear Sir: Kindly present the following
petition to the City Council and oblige.

Respectfully yours,

L. J. BARWOOD.

To the City Council of Cambridge:

Gentlemen:

An electric light is urgently essential on the corner of Wyman and Avon Hill Streets to prevent accidents or other serious mishaps in that section.

Wyman Street has never been inhabited until 1933 when I built my residence there. Without a city light Wyman Street is subject to many hazards, as well as to perpetration of misdemeanors in connection with parked automobiles.

Therefore I petition your Honorable Body to have an electric light placed on the corner of Avon Hill and Wyman Streets.

In anticipation of your prompt action, I beg to remain

Respectfully yours

L. J. BARWOOD.
