COUNCILLOR TRIANTAFILLOU
COUNCILLOR BORN
COUNCILLOR DAVIS
MAYOR DUEHAY
VICE MAYOR GALLUCCIO
COUNCILLOR REEVES
COUNCILLOR RUSSELL
COUNCILLOR TOOMEY

WHEREAS: Development in the City has increased to such an extent that residents are feeling constantly assaulted and frequently frustrated by decisions regarding development; and

WHEREAS: The current Zoning Ordinance does not seem to either control growth in an orderly fashion or incorporate "sustainable" way of life concepts, despite adoption of the Cambridge Growth Policy document; and

WHEREAS: Many residents of the City feel that their quality of life is being threatened by traffic, noise and overdevelopment; now therefore be it

RESOLVED: That the City Manager be and hereby is requested to confer with the Community Development Department with a view in mind toward developing a "Cambridge Sustainable City Program" which would specify guiding principles and indicators for policy areas, such as community and economic development, construction and development, education, energy, hazardous materials, housing, purchasing, solid waste, stormwater and wastewater, transportation and water which could be evaluated annually; and be it further

RESOLVED: That the City Manager confer with the Community Development Department to ascertain whether it would be feasible to adopt a "Growth Management Strategy" which would incorporate a Geographical, Commercial and Residential Allotment Program, similar to the program enacted by the City of Santa Monica, California; and be it further

RESOLVED: That the City Clerk be and hereby is requested to forward a suitably engrossed copy of this resolution to Cambridge Residents For Growth Management on behalf of the entire City Council.

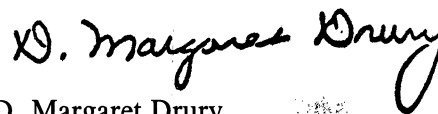

In City Council May 11, 1998.

Adopted by the affirmative vote of nine members.

Attest:- D. Margaret Drury, City Clerk.
