

City of Cambridge

In City Council

March 14, 1922.

ORDERED:

Notice having been given and a public hearing held, as provided by law, that the West End St. Railway Co., by the Boston Elevated Railway Co., its attorney, are hereby authorized to erect and maintain poles and support wires thereon for the transmission of electricity in the particular locations stated in the streets hereinafter named, subject to all existing and future ordinances of this City and regulations of this City Council in relation to the location of poles and wires in its streets and ways, and also in reference to the granting of licenses and permits.

The height and dimensions of the poles on the various streets shall be satisfactory to the City Electrician, and the number of cross-arms, with the number of pins for wires on each cross-arm, and the height of same, shall be as approved by him.

The locations herein named are severally indicated upon plans furnished by said Company, dated May 5, 1921, drawn by C. T. Fernald, Chief Engineer, Maintenance Department and filed with the City Clerk.

The following are the public ways or parts of ways along which the poles above referred to may be erected and the number of poles which may be erected thereon under this grant:-

Four poles on Broadway, Cambridge, two on each side of B. & A. R.R. Crossing.

Two poles on Cambridge St., Cambridge, at Warren St.
