City of Cambridge

IN CITY COUNCIL-

MARCH 28th, 1922.

ORDERED:-

Notice having been given and a public hearing held as provided by law, that the Cambridge Electric Light Company is hereby authorized to lay, maintain and use an underground conduit in Blackstone Street to carry steam, gas, compressed air and water pipes and electric cables, substantially as shown on Hollis French and Allen Hubbard's Plan No. 1072-H-627, dated November 14, 1921, filed with the City Clerk; also to lay, maintain and use conduits and manholes on Western Avenue and Blackstone Street to carry cables and wires and operate the same for the transmission of electricity, substantially as shown on Hollis French and Allen Hubbard's Plan No. 1072-H-640, dated January 5, 1922, and filed with the City Clerk.

The authority herein granted is subject to all existing and future ordinances of this city, and regulations of the City Council in relation to the location of ducts and conduits in the streets of this city and also with reference to the granting of licenses and permits.

PROVIDED:-

That before any work of construction is begun, the licensee shall file with the City Clerk a bond in the sum of Ten Thousand Dollars ($10,000.00) to save harmless the City of Cambridge from all suits for damages, judgments, liabilities, costs, losses and expenses whatsoever, which the said city may incur, suffer, or be subjected to, due to the construction, maintenance and operation of said conduits.

Said bond to be satisfactory in form to the City Solicitor and to be approved by the Mayor.

PROVIDED FURTHER:-

That the license (or permit) hereby granted shall be subject to revoca-
