ACORN (the Association of Community Organizations for Reform Now) is a national grassroots community organization founded in Little Rock, Arkansas in 1970, and currently has offices in over half the states in the country including a local chapter in Boston. ACORN is registered with the state as a not-for-profit organization engaged in the business of community organizing. ACORN organizes citizens to have a greater voice in tough economic and political issues, such as affordable housing, jobs, drugs and crime, the environment, and taxes.

An integral part of our success comes from our fundraising and signature drives. The purpose of these drives is to inform people of one of ACORN's programs and enlist support through signatures on petitions and/or contributions.

We would like permission for our petitioners to fundraise at Harvard Square.

Thank you.

Sincerely,

Angie Wilkerson
President, Massachusetts ACORN
