CAMBRIDGE MA.

RE: Playground Equipment for Glacken Park, Huron Ave.

The following residents of Cambridge urgently request you to install new playground equipment in Glacken Park on Huron Avenue.

One year ago a damaged slide and merry-go-round ~~were~~ removed from Glacken Park. Now, only three old swing sets remain for the dozens of children in our neighborhood.

The only other park in this section of Cambridge, at the Haggerty School, was closed several months ago due to construction at the school.

Most residents of this section of Cambridge now bring their children to the Grove Street Park in Belmont. The walk to Grove Street via Huron Avenue is dangerous, as there are no sidewalks past 700 Huron Ave. Also, the lack of a traffic light at the corner of Huron and Grove Street makes crossing by foot or in a car hazardous.

The children of West Cambridge should be able to play in safety in their own neighborhood.

**PLEASE ARRANGE FOR THE PURCHASE AND INSTALLATION OF NEW
WOODEN/PLASTIC PLAY STRUCTURES FOR GLACKEN FIELD THIS SUMMER.**

The water sprinkler in Glacken Park is very popular with children during the summer months. Please leave that in place when you install the new playground equipment.

THANK YOU!
