Paul Healey
City Clerk
Cambridge, Mass.

Dear Sir,

I am writing to you with a major complaint. I am a Mail Handler with the Cambridge Post Office. I was on route to work on Friday, October 14th at 4:30 a.m. when my car hit a huge ditch in the road. This was located on Broadway going toward Central Square. This "man-made" ditch had no warning signs or lights. As a result, my car hit the ditch (which by the way, happen to have a cement block in it) and totaled my car. Fortunately, no one was hurt. A taxi stopped and the driver helped me out and took me to a phone to call the police. The police then arrived at the scene to make out a report.

I am now out a car and am paying \$20,00 per day for a rental. I feel this is the City's fault.

Sincerely,

Kenneth D. Brodman
