COUNCILLOR WYLIE

RESOLVED:

That the City Council of Cambridge, Massachusetts, U.S.A., hereby resolves to request the appropriate officials of Pakistan to make public the reasons for the reported arrest and detention of some 10,000 persons, primarily in the provinces of Punjab and Sind, to advise whether the formal charges will be made against the prisoners followed by fair trials, whether the detention observes humane standards, and whether the rights of these persons are being observed under the United Nations Universal Declaration of Human Rights. As elected governmental officials in a democratic society, the Cambridge City Councillors wish to say to Pakistan officials that governmental service and political activity should never result in the violation of a person's liberty, and further that disregard of the personal rights of members of a political opposition creates a destabilizing force in the world; and be it further

RESOLVED:

Resolved by the Cambridge City Council as follows:

That the City Council of Cambridge, Massachusetts, U.S.A., hereby resolves to request the appropriate officials of Pakistan to make public the reasons for the reported arrest and detention of some 10,000 persons, primarily in the provinces of Punjab and Sind, to advise whether the arrests were to silence political opposition, whether formal charges will be made against the prisoners followed by fair trials, whether the detention observes humane standards, and whether the rights of these persons are being observed under the United Nations Universal Declaration of Human Rights. As elected governmental officials in a democratic society, the Cambridge City Councillors wish to say to Pakistan officials that governmental service and political activity should never result in the violation of a person's liberty, and further that disregard of the personal rights of members of a political opposition creates a destabilizing force in the world.
