~~In Board of Aldermen,~~ April 5th 1867

The Joint Standing Committee on
Roads & Bridges
to which was referred the petition of
James Mellen & others for the extension
of Moore Street from Washington to
Main Street, would respectfully
Report -

Recommending that the petitioners have
leave to withdraw; - as this extension would
involve a change in the location & direction of
one or two other streets in the immediate vicinity
which change & extension can more easily be
made in connection with the filling up of this
territory as authorized by the recent legislative
enactment & for which plans are now being
prepared by the City Engineer
