Dear Mayor Vellucci:

Thank you for meeting with me and my colleague Rabbi Bukiet.

After our discussion we took a little tour of the area looking for the most suitable location to place our menorah.

If possible, we would prefer to erect the menorah in Harvard Square rather than in the Common. This would make the menorah more visible and accessible, and at the same time, would not impede pedestrian traffic. Perhaps it could be placed in the proximity of the Out of Town News, info. booth or near the Au Bon Pain. We feel that these areas would be more populated during the nightly menorah lighting ceremonies.

I am looking forward to hearing from you concerning this project.

Sincerely,

Rabbi Shmuel Posner
