RE: Thomas Danehy Park

Dear Members of the Cambridge City Council,

As an abutter to the Danehy Park and a Cambridge property owner, I have watched the construction of the park over the last year with interest. I am writing to you to commend highly the City administration and Mr. Richard Rossi, Assistant City Manager in particular for their fine efforts in helping to effect such an outstanding improvement for the city and its citizens. One of the measures of the quality of life in a city is the condition of its public parks and by this standard the Danehy Park and Cambridge rate very, very highly. The achievement is all the more striking when one remembers the desolate condition of the site just a few years ago. Congratulations to the city administration for a job well done.

Sincerely,

Rusen Atiniz,
Trustee of Fresh Pond
Shopping Center Trust
