Dear Councilor Russell,

Sheila

Many thanks for agreeing to participate in CASPAR's Women's Health Fair on March 6, 1996 at the YWCA. Exhibits and demonstrations will be open to the public from 5:30-8:00 p.m., and an awards ceremony honoring an outstanding service provider and a woman in recovery will take place from 7:00-8:00 p.m. We would love to have you could join us for the evening, but if your schedule does not permit, please come for at least a portion of the last hour. Your remarks will be a highlight of the program.

CASPAR's Women's Advisory Committee has planned this health fair, entitled "Healing Ourselves in Recovery", as part of the Department of Public Health's ninth annual Women's Alcohol, Drug and Tobacco Awareness Week, scheduled for March 3-9, 1996. Activities have been scheduled by over thirty organizations serving women in Massachusetts to educate the public about the unique needs of women and families affected by substance abuse, and to publicize the many women's programs available across the state. Because this year's theme is wellness in recovery, our Advisory Committee decided to focus on women's health and to organize a health fair featuring the many services promoting good health which are available to recovering women in Cambridge and Somerville.

Participating organizations and agencies include Victims of Violence, the Women's Center, Boston Area Rape Crisis Center, Cambridge United for Smoking Prevention, MAP/Zinberg Clinic, Healthcare for the Homeless, and numerous other local health care providers. We plan to have door prizes and free food during the course of the evening, as we celebrate together the common bond of women's health which links the provider and consumer communities, and recognize the contributions of exemplary individuals in promoting women's recovery from alcoholism and drug abuse.

I appreciate your willingness to draft a City Council resolution, and would be willing to provide whatever other information you need. Please feel free to call me at any time.

Sincerely,

Gail Enman
