Report
Com. on Roads & Bridges
E. A. Dyer & withdrawn,
Feby 11, 1877,
Brattle St.

To the Honorable the Mayor and Aldermen
of the City of Cambridge -

(December 24th 1873

The undersigned respectfully represents
that in or about the year 1856 he gave to
the city of Cambridge for the purpose of widening
Brattle street, a strip of land containing
about 1600 square feet, part of a lot of land
having no buildings on it, abutting on said street,
that the recent widening of said street
from Brattle square to Fresh Pond lane
has not ~~altered~~ the ~~width~~ lines in front
of said lot - and that he is now assessed
a betterment for said widening on account
of said lot and also on account of
another lot owned and occupied by him on
said street: And the petitioner believes that the
value of his said lands has not been increased
by said widening, last mentioned: wherefore he prays
that said assessments may be abated; and
that the fact of his said gift may be considered

and taken to be a sufficient contribution
by him towards the cost of the said
widening-

E. L. Dyer
