September 10, 1979

To the Honorable, the City Council:

The attached transfer of \$300,000 in Block Grant Street and Sidewalk funds from Public Works other ordinary maintenance account to the Public Investment Fund has been recommended by the Public Investment Advisory Committee. Consolidation of these funds with the \$750,000 the Council has authorized for street repair in non-Block Grant neighborhoods will help to simplify the accounting and control of the street and sidewalk improvement program.

Passage of this order is recommended.

Very truly yours,

  
James L. Sullivan
