Francis H. Duehay

Dear Councillor,

I would like the permission of the Cambridge City Council to appoint a small group of friends of former Mayor Leonard J. Russell to recommend a suitable municipal memorial in his honor. The bridge is really a state memorial.

This group would meet and consider the many suggestions which have already been made and submit their findings and recommendations to the City Council.

I have consulted Mrs. Sheila Russell about this way of making a decision and she has given her approval.

Sincerely yours,
