Dear Mr. Healy;

Our thanks to you for notifying us of the permit to sell jewelry on Brattlewalk on Saturday November 6, 1971. Our thanks also to the City Council for granting such permission to aid us in our work here at the Concord Avenue Center of the Church.

Unfortunately we were unable to prepare for the Saturday sale due to the unexpected absence this week of the people concerned with that aspect of our craft work. We would sincerely appreciate it if the validity of this permit could be moved to some Saturday in the near future, since we made no use of it on the designated date.

We would also request of the City Council permission to set up a table periodically on Brattlewalk or elsewhere in the Harvard Square vicinity, perhaps one or two Saturdays monthly, to help in raising funds for the work of the Church.

Again, our thanks to you and everyone else at City Hall for the continual help and support you have given to us.

Very Sincerely yours,

*Father Dominic
PP Brother Matthew*
