To the Honorable, the City Council:

Attached, please find an appropriation order for \$300,000, to the Human Services Other Ordinary Maintenance Account for FY93, to be used for the establishment of a Community Response Fund as outlined in my FY93 budget message. This appropriation is being submitted at this time to coincide with the adoption of this FY 1993 budget. It is still my intention to forward home rule legislation to establish the City of Cambridge Community Response Trust Fund so that these funds can be supplemented by private donations from both corporate and individual sources. Adoption of this request is strongly recommended.

Very truly yours,
