ATTEST:-

D. Margaret Drury  
City Clerk

~~Resolved~~ *23*

## Could You Get Diabetes?

---

The Diabetes Prevention Program at  
Massachusetts General Hospital presents a

# Free Blood Sugar Screening

for employees and the public, age 25 and older  
as part of our outreach for a national study to  
prevent Type 2 diabetes in people at risk

For best results, don't eat or drink anything  
(except water) for 4-12 hours before the test

RECEIVED BY  
OFFICE OF CITY CLERK

97 FEB -4 PM 12:37

CAMBRIDGE MA.

Mayor Russell:

Whereas: The Diabetes Prevention Program at the Massachusetts General Hospital is providing Free Blood Sugar Screening for employees and the public, age 25 and older, and

Whereas: Diabetes is a debilitating disease which strikes many Americans, and

Whereas: This is part of a national study to prevent type 2 diabetes in people at risk, now therefore be it

Resolved: That the City Council go on record as urging all citizens to take advantage of this program which may be for some individuals the most important test they have ever taken, in that early discovery and preventive measures are the keys to dealing with this disease.
