April 25, 1994

To The Honorable, The City Council:

Attached is an order requesting the appropriation and authorization to borrow \$1,000,000 for the replacement of water mains for portions of Inman, Cambridge and Brookline Streets as well as Massachusetts Avenue from Pleasant Street to Vassar Street. The debt service on the bonds issued to finance this project will be paid from water service revenues. These funds will supplement \$1,200,000 in water service revenues included in the Public Investment Fund appropriation order in the recently-submitted FY95 budget to produce a total capital budget of \$2,200,000 for the Water Department in FY95. Please refer to page v-32 of the FY95 Submitted Budget for a full description of the FY95 capital improvement program for the Water Department.

Very truly yours,
