Honorable Barbara Ackerman

Mayor

City Hall

Cambridge, Mass.

Dear Mayor Ackerman:

With this letter I am requesting that my name be withdrawn from consideration for the position of City Manager of Cambridge.

Needless to say, the past months have been difficult and trying not only for me and my family, but also, I'm sure, for you and the citizens of Cambridge. I hope that in the days ahead the City can resolve the issue of the City Managership.

NEIL PETERSON

I continue to feel strongly that Cambridge is a city which has unique opportunities to meet the difficult problems facing our urban areas today. My best to you and the citizens of Cambridge in your efforts to move the City forward.

Sincerely Yours,

Neil Peterson
