LOWELL POLICE ACADEMY

MISSION STATEMENT

The MISSION STATEMENT of the Lowell Police Academy is to provide the highest caliber of instructional and informative experiences for all student officers.

PHILOSOPHY

The PHILOSOPHY of the Lowell Police Academy is to provide a proactive, visionary and futuristic environment while providing contemporary skills.

GOALS

The GOALS of the Lowell Police Academy are to provide the knowledge, skills, and abilities in order that the student officers can:

- 1) Make ethical decisions*
- 2) Develop proper negotiation skills*
- 3) Solve problems*
- 4) Understand their role in the community*
- 5) Protect citizens Constitutional rights*
- 6) Respect every citizens' quality of life.*

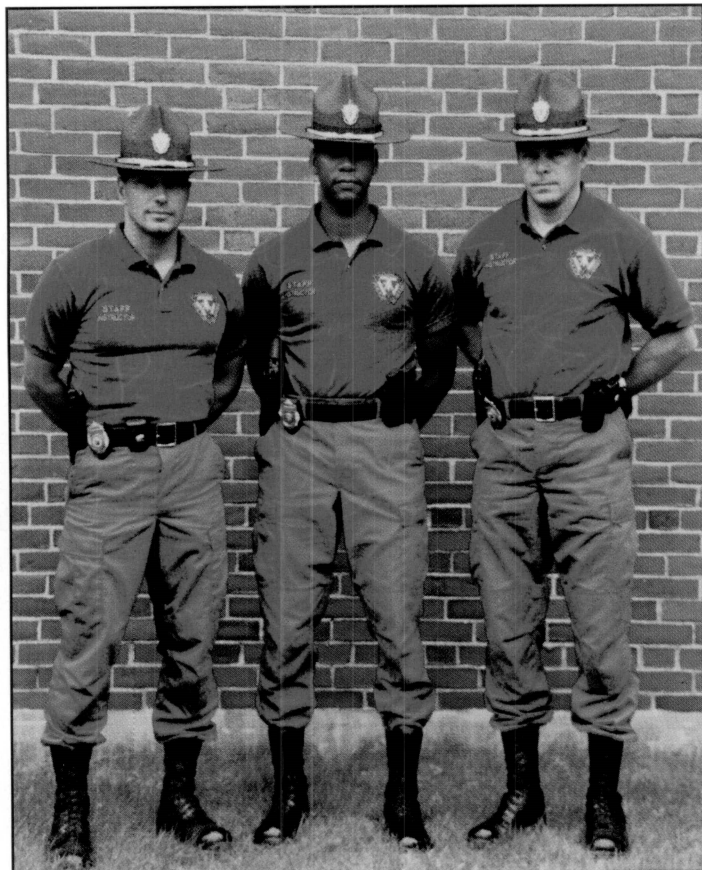

TRAINING MODEL

- Police training is integral to the community development and professionalism of law enforcement.*
- Learning by doing is a two-part process: absorbing information and applying it.
Learn by doing techniques are very effective ways of teaching adults*
- Academy training will present abstract concepts and follow-up with explanations and exercises of how those concepts relate to student officers and their responsibilities as police officers.*
- This training model will encourage student officers to ask questions freely.*
- The academy staff and all instructors are chosen and expected to portray themselves as excellent role models for the student officers.*

THE FIVE PRINCIPLES OF POLICING

- 1) The duty of the police is to prevent crime and social disorder.
- 2) The power of the police to fulfill their duties is dependent on their ability to secure and maintain public respect.
- 3) The police should strive to maintain a relationship with the public so that in reality, the police are the people and the people are the police.
- 4) The police must seek and preserve public favor, not by pandering to public opinion, but by demonstrating absolute impartial service.
- 5) The test of police efficiency is the absence of crime and disorder, not the visible evidence of police action dealing with the problems.

From Sir Robert Peele, Metropolitan Police Act of 1829
