CITY OF CAMBRIDGE • EXECUTIVE DEPARTMENT

Robert W. Healy, City Manager

Richard C. Rossi, Deputy City Manager

October 16, 2000

To The Honorable, The City Council:

In response to Awaiting Report Item No. 00-52, regarding a report on silver paint dripped on the sidewalks while painting the parking meters around the City, Traffic, Parking & Transportation Director Susan Clippinger reports the following:

The Traffic, Parking & Transportation Department paints the meter poles every Spring throughout the City. During this year's painting season, the crew painting the poles did not take sufficient care. The Department is currently removing the paint that was dripped on the sidewalk. This is the first year the Department has experienced this problem and is taken added precautions to ensure that the same does not occur during next year's painting season.

Very truly yours,

Robert W. Healy
City Manager
