Dear City Council Members:

The National Association of Letter Carriers, the Postal Service, the AFL-CIO, and the United Way of America are sponsoring the third annual Letter Carrier's Food Drive on Saturday, May 13, 1995.

In Cambridge we will be collecting and bringing the food to the Clifton Merriman Building at 770 Mass Ave. The food will then be distributed to local food pantries and other nonprofit groups.

You are invited to participate in any way you deem appropriate. We would appreciate any support you can provide. You may contact either Angelo Sortino Chief Steward NALC Cambridge or Frank Carbonneau Postmaster of Cambridge for further information. The telephone number is 876-0620.

Sincerely,
