COUNCILLOR SULLIVAN
COUNCILLOR TOOMEY

WHEREAS: Recent reports in the media have pointed out the serious toxic impact which latex can exert on certain individuals; and

WHEREAS: The City of Cambridge has adopted an Ordinance which mandates the presence of condom vending machines in numerous locations which will provide for the easy availability to high quality latex condoms to the general public; and

WHEREAS: Given the uncertainty of documented medical data at this time on this hazard, continued enforcement of the Condom vending machine Ordinance places the city at risk in terms of potential lawsuits, not to mention its risk of establishing itself as being an agent for imposing a toxic health risk on the residents of the city; now therefore be it

ORDERED: That the City Manager be and hereby is requested to direct the Commissioner of Health & Hospitals to provide this City Council with a thorough report of all aspects of this question; and be it further

ORDERED: That the City Manager be and hereby is requested to take the steps to suspend enforcement of the Condom Ordinance immediately throughout the city until such time as Dr. Chalfen's report has been received, reviewed and given response by this Council; and be it further

ORDERED: That the City Manager report back to this City Council on this matter when Dr. Chalfen is satisfied that he is able to provide the most complete data possible in detail.
