

Dear Councillor Davis

2/15/99

I wish to thank you, Sandra and all the Council responsible for C.O. #25 dated 1/25/99. I was completely surprised and deeply touched by your thank you.

If I find myself back in the public sector I hope I will be lucky enough to work with someone like yourself; dedicated to working cooperatively with staff in order to provide quality services to the citizens.

Sincerely

Jane K
