

City of Cambridge

COUNCILLOR VELLUCCI

IN CITY COUNCIL

September 9, 1985

- ORDERED: That the City Manager be and hereby is requested to appropriate a sum sufficient to hire an engineer or an engineering firm to study, survey and conduct a thorough and impartial investigation of the sewer system of the City of Cambridge and to report their findings and recommendations to this City Council; and be it further
- ORDERED: That the entire membership of the City Council, serving as a committee of the whole, receive and analyze this report to insure that any deficiencies noted are corrected without delay and to formulate plans for funding where required.
