ORDERED: That prior to the December 11, 2000 City Council meeting, the City Manager be and hereby is requested to provide the following:

1. How will the CRLS Music Practice rooms currently located in the area for the library expansion be relocated to accommodate the site plan currently proposed for the new library:
2. If the CRLS Music rooms are not relocated and the proposed site plan is modified to accommodate the presence of the music room, how will this affect the number of underground parking spaces in the library plan, and how will this affect the amount of open space which is eliminated by the construction of a new library?
3. Are there any hazardous materials present in the existing library and what measures will be taken to insure public safety, especially of CRLS students, during construction, in particular, has the cost of tenting or other containment been included in the cost estimates for the two sites and was the cost estimator apprised of the fact that a 1800-student high school was located adjacent to the site for the new library?
4. Are there any meets and bounds delineating city and school department property on the CRLS campus?
