

City of Cambridge.

November 22 1887

To the Honorable Committee on
roads and bridges of the
City of Cambridge
Sunderland, - &

Have been to a large expenditure to
street, in building, and find it difficult
to rent my (Taxable) property ^{account of} the condition of
the street, I have at my own expense filled my
side walk up to grade, and most respectfully
ask you to have the Superintendent of streets
dump his ashes in the street so as to make
it passable, and be a benefit to the public

Very Respectfully
Samuel Nash

Saml. Nash, 128
