Gentlemen:

The Board of Selectmen wish to thank you for the representative that attended in your behalf at the meeting held in Arlington on February 24, 1971, regarding the proposed extension of the Harvard Alewife Rapid Transit Line and H-1861 Bond Authorization Bill.

This meeting proved to be very informative and presented the most up-to-date position of the M.B.T.A., as to their development plans and the aforementioned bill.

We realize that this extension is of great benefit to residents of your community and we invite you to actively join with us in support of this Legislation.

It is requested that you join with us in having this matter come up for a vote before your Board in order that you will be able to present the official position of your community before the Committee on Transportation at the hearing to be held at 10:30 A. M., on March 2, 1971, in Room 443 at the State House, Boston.

In addition to your Board taking a position on this matter, would you kindly appoint one member from your community to the Co-ordinating Committee to be established to monitor and promote the development of this Rapid Transit line.

Thank you for your cooperation to date and we look forward to your reply in this matter.

Very truly yours,

Arthur D. Saul, Jr.
