City Clerk's Office
795 Massachusetts Avenue
Cambridge, Mass.

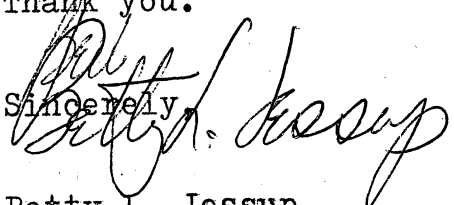

Dear Sir:

This is to inform you of an injury which I sustained on Cambridge public land near the Fresh Pond Reservoir on Sept. 1st. I received facial lacerations and a fracture of the jaw as a result of being hit by a golf ball.

I have frequently seen children and older people walking in the area where the injury occurred. I would like to suggest that the city arrange to post a notice which would indicate the boundaries of the city golf-course or, otherwise, warn pedestrians of the possible danger of being in the area. It seems hazardous to have no indications or warnings of golfers in a public area where people frequently jog or walk.

Thank you.

Sincerely,

Betty L. Jessup
