

CITY OF CAMBRIDGE

Councillor Vellucci

4.

In City Council,

June 26, 1972.

WHEREAS:-

Businesses on Cambridge Street feel that they are being discriminated against inasmuch as they too are taxpayers, and the City of Cambridge is in fact, paying more attention to the Central Square and Harvard Square areas, therefore be it

ORDERED:-

That the City Manager be and hereby is requested to direct the City of Cambridge Planning Department, the Traffic Department, the Police Department, the Redevelopment Authority and the Model Cities to make a study of parking problems on Cambridge Street, from Lechmere Square to Inman Square, with the view of providing parking facilities for residents and shoppers in order to alleviate traffic congestions in that area, and be it further

ORDERED:-

That the City Manager consider this order a very serious one and is requested to report back to this City Council in one week as to what action has been taken with regard to this request.

307_{4.}

ORDER

City Manager requested to have a study
made of parking problems on Cambridge St.,
from Lechmere Square to Inman Square
