Councillor Russell

whereas : On November 6, 1990 a chlorine gas leak was detected after a valve jam at the Cambridge Water Department; and

whereas : This leak caused the Fresh Pond reservation to be sealed off and local businesses and schools notified of the potential to evacuate the area; and

whereas : The City Manager and the appropriate public safety personnel responded with quick and decisive actions to remedy the situation and allay all fears; and

whereas : The City Manager at the regular City Council Meeting of November 5, 1990 recommended and this City Council appropriated the sum of \$950,000 as the initial step in

Making immediate and long term
improvements to the water system;
now therefore be it

Resolved

That this City Council go on
record expressing its heartiest
appreciation to those Departments
who responded and urge the
City Manager to move full
speed ahead on implementing
the necessary steps to improve
the water system.
