City of Cambridge
Hon Board of Aldermen

Dec 1st 1860.

The Standing Committee on Roads & Bridges to whom was referred the petition of the President & Fellows of Harvard College, Praying for the removal of certain trees on the Northerly line of Harvard Street opposite the College yard, would respectfully Report.—

That the trees they desire removed, stand Eastward of the walk leading to Gore Hall. These four Committee find to be very healthy, & graceful & standing in a very uniform line; & while they are somewhat nearer to each other than usual, the branches do not interlace to the injury of the trees & your Committee feel that the public would regard their removal as a misfortune & recommend the petitioners have leave to withdraw.
