OFFICE OF THE CITY CLERK
CAMBRIDGE, MASSACHUSETTS

The Honorable Mayor Anthony D. Galluccio
And the Honorable Members of the City Council
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Mayor Galluccio, Vice-Mayor Maher, and Cambridge City Councillors:

There is one phase of my advocating for funding for Training Innovations, Inc. that I have not spoken to publicly. Most likely due to the three-minute time constraint, I have not had the chance to state what a wonderful experience it was for meeting with each of the nine of you in individual meetings. As a general process, it was a great part of my life, to sit down with you, to reacquaint myself with someone of you in my more recent role, and to sit down with some of you for the first time.

In particular from these individual meetings I received the following:
Mayor Galluccio—Initial and a real catalyst role in our request our funding, and a chance to share my perspective that you have a chance for real leadership
Councillor Born—Initial support and a very encouraging response
Councillor Braude—A common sense response, with non-reticent support
Councillor Davis—A good listening ear
Councillor Decker—Advice to develop a proposal with facts and figures
Councillor Reeves—A brotherhood and shared fellowship on issues
Councillor Sullivan—An education on the inner workings of city government.
Councillor and State Representative Toomey—A steady arm of friendship.
Vice-Mayor Maher—An enlightened discussion of non-profit organizations.

One does not always get a chance to say all that one wants to say, and in a genuine sense the meetings that I had with each of you were one of the cornerstones of this request for funding, and one of the highlights of my life.

Thank you for the care and consideration you have given me.

Sincerely,

Jonathan S. Myers
Executive Director
