Supplemental Information Supporting Linnaean Street Zoning Petition

This petition seeks to bring the zoning of the affected properties into conformance with the neighboring dwellings on the block. These properties were last downzoned in 1978, and the neighborhood feels that the zoning was applied at that time in an inconsistent manner.

There are three affected properties:

1) 33 Linnaean Street, which has a lot of 12,392 square feet, more or less, of which 8,000 is zoned Residence C-2, and 4,392 is zoned Residence A-2.
2) 37 Linnaean Street, which has a lot of 10,182 square feet, more or less, of which 7,800 is zoned Residence B, and 2,382 is zoned Residence A-2.
3) 39 Linnaean Street, which has a lot of 6,138 square feet, more or less, of which 5,400 is zoned Residence B, and 738 is zoned Residence A-2.

The Residence A-2 zone prevails on the block, except for the affected properties and the south east corner where a four story brick apartment building is zoned Residence C-2. The petition seeks to bring the properties into the Residence A-2 zone. The buildings in question are three 19th century houses. All similar buildings in the block (and abutting Avon Hill) are zoned Residence A-2.

Lester Barber of the Community Development Department has told me that under the current zoning the lot at 33 Linnaean Street could have a building 85 feet tall, with up to 13 dwelling units.

At recent public hearings of the Cambridge Historical Commission, the building at 33 Linnaean Street was found to be both "significant" and "preferably preserved," as defined under Ordinance 965 adopted by the City Council in 1979.

All neighbors and abutters who have expressed an interest in this matter have supported the downzoning. The owner-occupants of the buildings at 37 and 39 Linnaean Street have signed the zoning amendment petition.

The neighborhood is working with the owner of 33 Linnaean Street to locate a buyer that will purchase 33 Linnaean Street and will make this a petition that can be supported by all of the affected owners.

To the Honorable, the **CAMBRIDGE CITY COUNCIL**, we the undersigned hereby petition to Amend the Zoning Map of the City of Cambridge by striking out the designation Residence C-2 and Residence B and substituting therefor the designation Residence A-2 for that area of land described thus:

Beginning at a point said point being the intersection of the centerline of Linnaean Street and the eastern lot line of lot #8 as shown as Assessors' Plat #211 and its extension;

Thence running northerly along the eastern lot line of lot #8 as shown on Assessor's Plat #211 and its extension for 125 feet more or less to its point of intersection with a line 100 feet distant from and parallel to the northern streetline of Linnaean Street;

Thence running westerly along a line 100 feet distant from and parallel to the northern street line of Linnaean Street for a distance of 230 feet more or less to its intersection with the centerline of Avon Hill Street;

Thence running in a southerly direction along the centerline of Avon Hill Street for a distance of 125 feet more or less to its intersection with the centerline of Linnaean Street;

Thence running in an easterly direction along the centerline of Linnaean Street for a distance of 230 feet more or less to the point of origin.

Premises of the following parcels as designated on Assessors' Plat 211: Odd numbers 33, 37 and 39 Linnaean Street and which includes all or parts of lots numbered 8, 9, and 10.

To Whom It May Concern:

Enclosed you will find a copy of a hearing scheduled before the Committee on Ordinances for Thursday, June 27, 1996 at 6:30 P.M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a petition to rezone an area of Linnaean Street from Residence C-2 and Residence B to Residence a-2 as shown on the accompanying map. The rezoning would restrict development to a Floor Area Ratio of .5 and a height limit of 35 feet. It would increase the required lot width of 65 feet and the minimum lot size to 6,000 square feet and would permit only single family residential uses in the affected area.

Your kind attention in this matter will be greatly appreciated.

Very truly yours,

D. Margaret Drury
City Clerk

CAMBRIDGE MA.

28 June 1996

Frank Duehay, Chair
Ordinance Committee
Cambridge City Council
Cambridge, MA

Dear Councilor Duehay,

We write to express our reasons for initiating a down-zoning petition for the properties at 39, 37, and 33 Linnaean Street. We had arranged our schedules to be able to attend and speak at the previously scheduled meeting of the Ordinance Committee on June 27. But we were unable to change plans to attend the meeting on July 9 when the meeting date unexpectedly had to be changed. Would you be willing to accept this letter instead of our oral testimony?

We have lived in the house on the corner of Linnaean and Avon Hill Streets for over 20 years. During this time, we have watched the neighborhood grow and change. Our neighborhood remains a busy, often crowded, diverse mix of houses, condominiums and apartments. Traffic has increased a great deal. We worry about the safety of children in the neighborhood, especially those who attend Peabody School -- and about the older people who live in the subsidized housing -- and we are getting old enough also to worry about our own safety with the greatly increased traffic.

Over the last ten years, our neighborhood has, however, become a more cheerful place. As you walk around, you can see the many gardens that have sprouted in front yards. Many houses have been fixed up, painted, renovated. Some multi-family houses are becoming single family houses. People are friendly and often say hello to each other. The neighborhood has become more beautiful and far more caring.

We appeal to you and to the City Council to help us keep Linnaean Street as friendly and family oriented as it is, and to help us to join the block north of us (and the northern edge of our own property) as A-2.

It has been said that we personally have nothing to lose in the proposed down-zoning; in these comments we are perhaps seen as selfish. But we would ask the Council to consider the fact that we have been through this once before and indeed did down-zone our own property from C-2, in 1978. We remember the down-zoning process in the late 1970's and some of the offers that preceded that down-zoning.

We remember being approached by a developer who was interested in buying 39, 37, and 33 Linnaean -- the three properties together were obviously a prime spot for another apartment building. We understood that we might have gained a very good price for our home, but said that we loved our home and neighborhood and had no interest in selling. We joined the 1978 effort to down zone our home--we tried to down-zone at that time to A-2 but the effort only succeeded to B. We were glad at that time to see that the City Council was willing to take steps to preserve our neighborhood.

We did not, however, realize then that the lack of A-2 zoning for our home, and for our two mansard neighbors, might lead to the possible destruction/change of the lovely house on 33 Linnaean. Or that we would be facing the threat of fundamental change in our block and neighborhood, the loss of trees and open space, and the cars, traffic, and safety risks of a new apartment complex. Had we understood Mr. Marshall's reasons then, for wishing to keep his home zoned C, we would personally have pleaded with him to join our petition.

We see this petition as an attempt to join our property-zone to that of our northern neighbors, to help preserve Linnaean street as part of that neighborhood, and to regularize the zoning of our own property, which is apparently split into two zones.

Thank you very much,

Sincerely,

Mary Rowe

Mary P. Rowe & Robert A. Fein

Consent Communication #1

Communication was received from Mary Rowe and Robert Fein, transmitting their reasons for initiating a down-zoning petition for the properties at 39, 37, and 33 Linnaean Street.

Supplemental Information Supporting Linnaean Street Zoning Petition

This petition seeks to bring the zoning of the affected properties into conformance with the neighboring dwellings on the block. These properties were last downzoned in 1978, and the neighborhood feels that the zoning was applied at that time in an inconsistent manner.

There are three affected properties:

1) 33 Linnaean Street, which has a lot of 12,392 square feet, more or less, of which 8,000 is zoned Residence C-2, and 4,392 is zoned Residence A-2.
2) 37 Linnaean Street, which has a lot of 10,182 square feet, more or less, of which 7,800 is zoned Residence B, and 2,382 is zoned Residence A-2.
3) 39 Linnaean Street, which has a lot of 6,138 square feet, more or less, of which 5,400 is zoned Residence B, and 738 is zoned Residence A-2.

The Residence A-2 zone prevails on the block, except for the affected properties and the south east corner where a four story brick apartment building is zoned Residence C-2. The petition seeks to bring the properties into the Residence A-2 zone. The buildings in question are three 19th century houses. All similar buildings in the block (and abutting Avon Hill) are zoned Residence A-2.

Lester Barber of the Community Development Department has told me that under the current zoning the lot at 33 Linnaean Street could have a building 85 feet tall, with up to 13 dwelling units.

At recent public hearings of the Cambridge Historical Commission, the building at 33 Linnaean Street was found to be both "significant" and "preferably preserved," as defined under Ordinance 965 adopted by the City Council in 1979.

All neighbors and abutters who have expressed an interest in this matter have supported the downzoning. The owner-occupants of the buildings at 37 and 39 Linnaean Street have signed the zoning amendment petition.

The neighborhood is working with the owner of 33 Linnaean Street to locate a buyer that will purchase 33 Linnaean Street and will make this a petition that can be supported by all of the affected owners.

To the Honorable, the **CAMBRIDGE CITY COUNCIL**,
we the undersigned hereby petition to Amend the Zoning Map of the City of Cambridge by striking out the designation Residence C-2 and Residence B and substituting therefor the designation Residence A-2 for that area of land described thus:

Beginning at a point said point being the intersection of the centerline of Linnaean Street and the eastern lot line of lot #8 as shown as Assessors' Plat #211 and its extension;

Thence running northerly along the eastern lot line of lot #8 as shown on Assessor's Plat #211 and its extension for 125 feet more or less to its point of intersection with a line 100 feet distant from and parallel to the northern streetline of Linnaean Street;

Thence running westerly along a line 100 feet distant from and parallel to the northern street line of Linnaean Street for a distance of 230 feet more or less to its intersection with the centerline of Avon Hill Street;

Thence running in a southerly direction along the centerline of Avon Hill Street for a distance of 125 feet more or less to its intersection with the centerline of Linnaean Street;

Thence running in an easterly direction along the centerline of Linnaean Street for a distance of 230 feet more or less to the point of origin.

Premises of the following parcels as designated on Assessors' Plat 211: Odd numbers 33, 37 and 39 Linnaean Street and which includes all or parts of lots numbered 8, 9, and 10.

Re: 33 Linnaean St.; Application for Down Zoning

To Whom it May Concern:

I have discovered that my name on a list that has been included in the petition for the down zoning of the above referenced property. Please remove my name from this list as I do not support this position and I will shortly no longer be an abutter.

If I must appear in your office to have my name removed from this list, please notify me.

Sincerely yours,

Jack I. Joseph

CAMBRIDGE MA.

City of Cambridge

MASSACHUSETTS

Office of the City Clerk

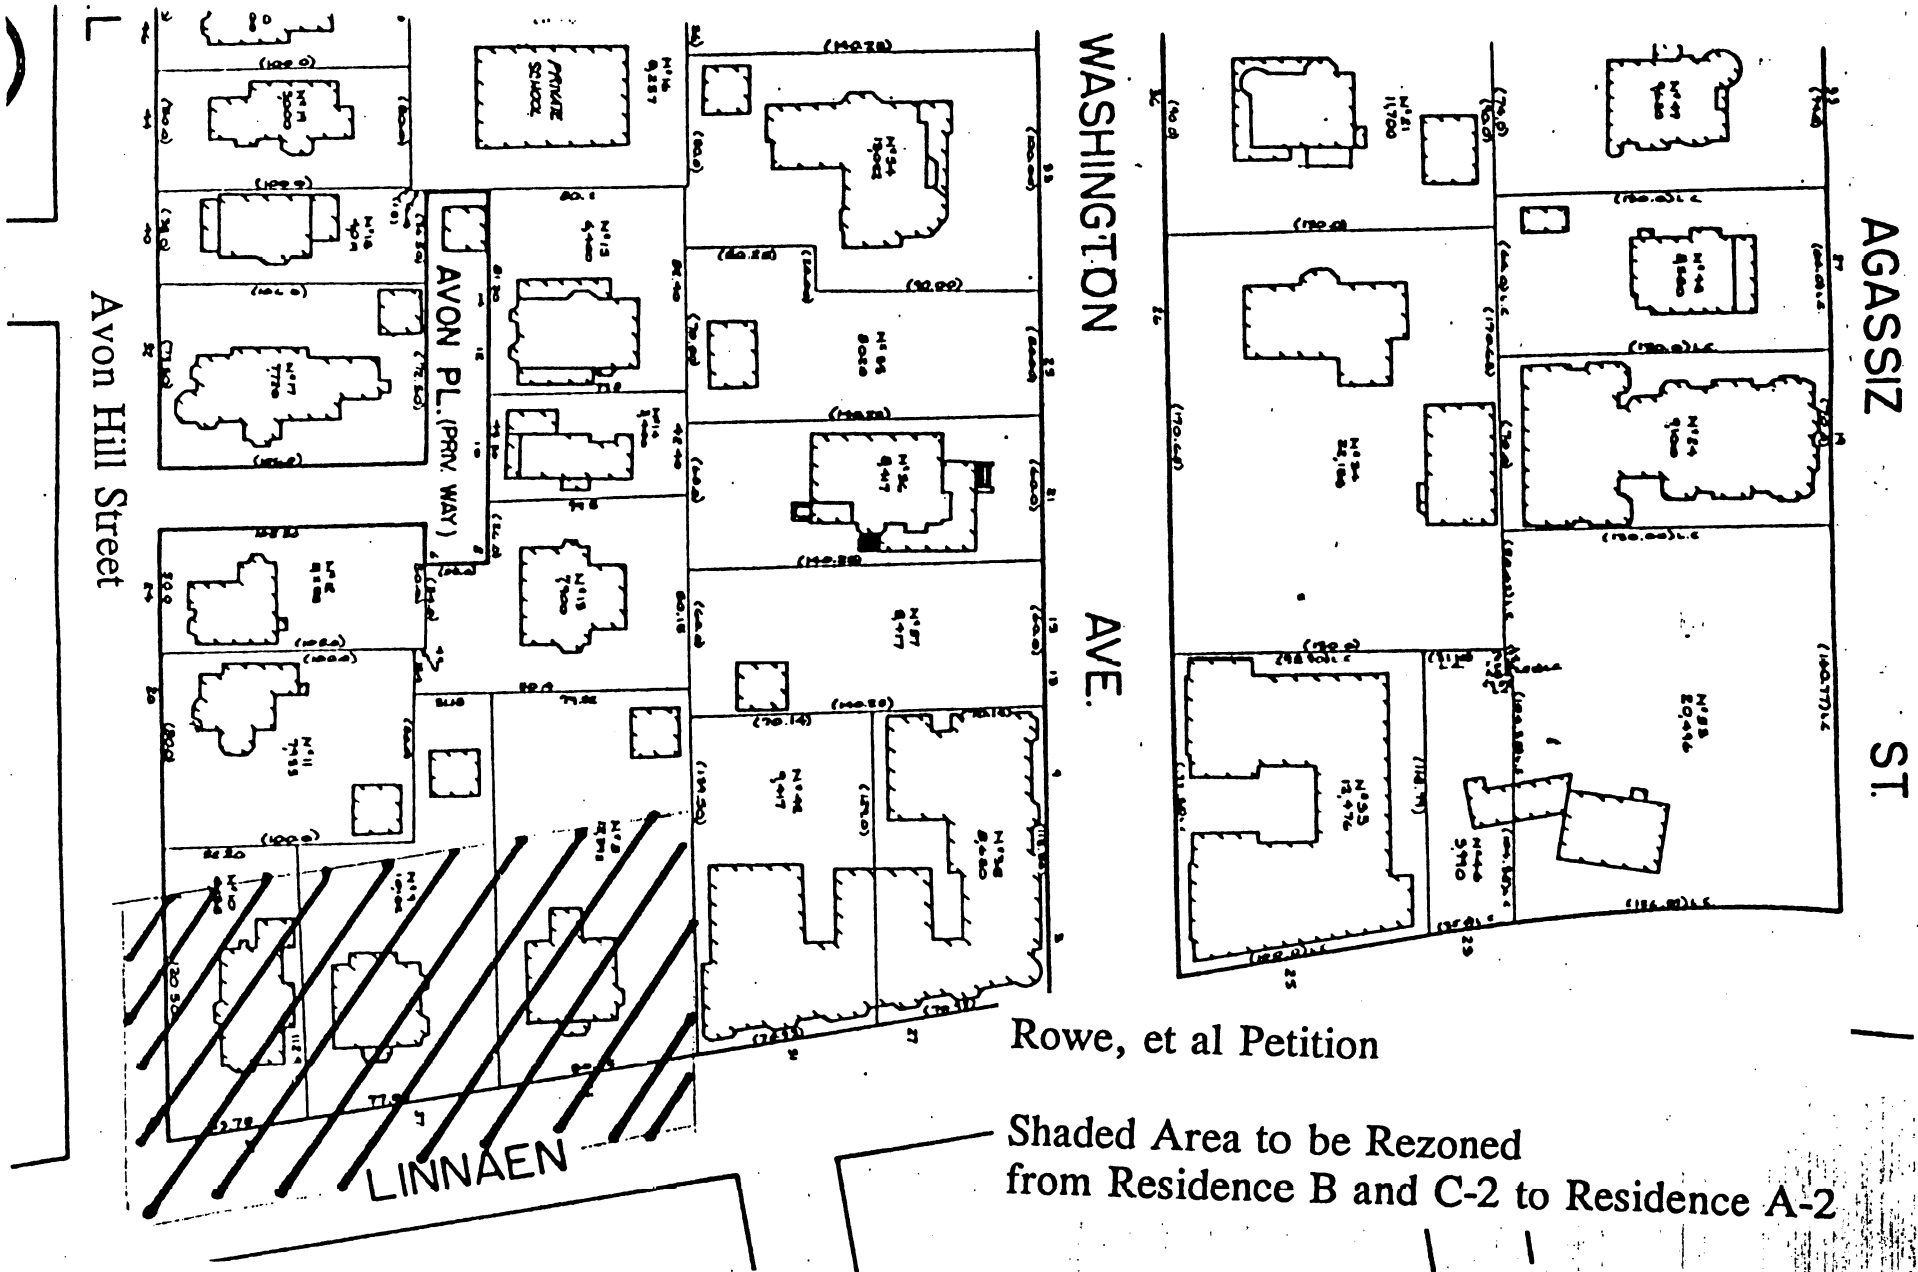

Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 of the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances, comprised of the entire membership of the City Council, will hold a public hearing on Thursday, June 27, 1996 at 6:30 P. M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a Zoning Petition by Mary Rowes, et al to rezone an area of Linnaean Street from Residence C-2 and Residence B to Residence A-2 as shown on the accompanying map. The rezoning would restrict development to a Floor Area Ratio of .5 and a height limit of 35 feet. It would increase the required lot width of 65 feet and the minimum lot size to 6,000 square feet and would permit only single family residential uses in the affected area.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts.

All persons interested in this matter may appear at this time and be heard.

For the Committee,

Councillor, Francis H. Duehay,
Chairman.

RECEIVED BY
OFFICE OF CITY CLERK
96 AUG -2 AM 1:48
CAMBRIDGE MA.

July 30, 1996

Dear Neighbor:

I have heard so many frightening and inaccurate stories about what might happen at 33 Linnaean Street that I thought it might be helpful to describe for you what is really being proposed.

As you recall, the original proposal included 9 units and relocated the existing house to the rear of the lot. I heard three distinct concerns expressed by the neighbors:

1. Too many units;
2. Moving the existing house disturbed the character of the streetscape; and
3. Insufficient open space left in the rear.

In response to your concerns, I dramatically redesigned and downsized the project. The principal elements of the revised project are as follows:

1. Five units (the existing house plus 4 new units);
2. Preserve and restore the existing house in its current location;
3. Preserve a large yard - 80 feet wide and 50-60 feet deep - and preserve all of its mature trees, including the Japanese Maple.

I have enclosed a drawing accurately showing what 33 Linnaean Street will look like as you walk down the street. I have also enclosed a computer generated bird's eye view in order to show you the relationship between the new building, the open space and the neighborhood in the rear.

To further protect the neighborhood, I have agreed to impose restrictions on my property which would guarantee that nothing would ever be built other than as I have promised to you. These restrictions would be recorded in the Registry of Deeds.

I understand your desire that nothing at all be built here. However, I wish to suggest to you that you have already been successful in your efforts - all of the major concerns which you have expressed have been addressed. You have won major concessions from me. Now I ask that you be fair and reasonable. In a city with complex and competing interests, it is essential that we find a way to work together and, where appropriate, to compromise. The unbridled drive for total, unqualified victory deprives urban life of its civility - and frequently results in surprising and unintended consequences for all parties. So I ask that you look at what is now being proposed with an open mind; does it not represent a substantial, good faith effort to address your concerns? I understand that it may not be ideal

☐

ARALIA CONSTRUCTION, INC.
CEA MANAGEMENT CORP.

8/6/96 per p/c w/ writer, not pleased w/ organization

from your perspective - no compromise ever is - but I believe that it represents a balancing of legitimate interests that we can all live with. On the basis of this compromise, we can work together on outstanding issues and assure that this project is a credit to the city and that it successfully preserves the character of the neighborhood. That would be an outcome that we can all be proud of.

Other than compromise, the only other option is one of conflict and uncertainty. It is an option which entails a great gamble. I ask you to consider the possibility - be it months or years down the road - that you do not win all the votes you were hoping for, or that the courts intervene and find in favor of the property owner. Please consider what might be built then - will it be more or less pleasing to you than what is proposed today? Do you really want to take that gamble? I urge you to work with me today in implementing this reasonable compromise - one that I believe can work for all of us.

Finally, I want to tell you about several resources in my office. We have constructed a scale model of the entire neighborhood. In addition, we have created a computer program which can show you what the proposed new building will look like from any vantage point in the neighborhood. The color bird's eye view which I enclosed was generated by that computer program. Using these resources, you can determine exactly what you will see from your house or condo or from the street as you walk or drive by. I invite you to come to my office to take advantage of these two great design tools - please call Gina to schedule a visit. You may or may not be persuaded by what you see, but at least you will better understand the visual and design implications of what I have proposed.

Please feel free to call Emmanuel Daskalakis or myself directly if you have any questions or comments about our proposal. I would especially appreciate hearing from you if you feel that my proposal represents a reasonable basis for compromise.

Thank you for your time. I hope that you will visit my office. And I hope that we will have the opportunity to speak with each other in person.

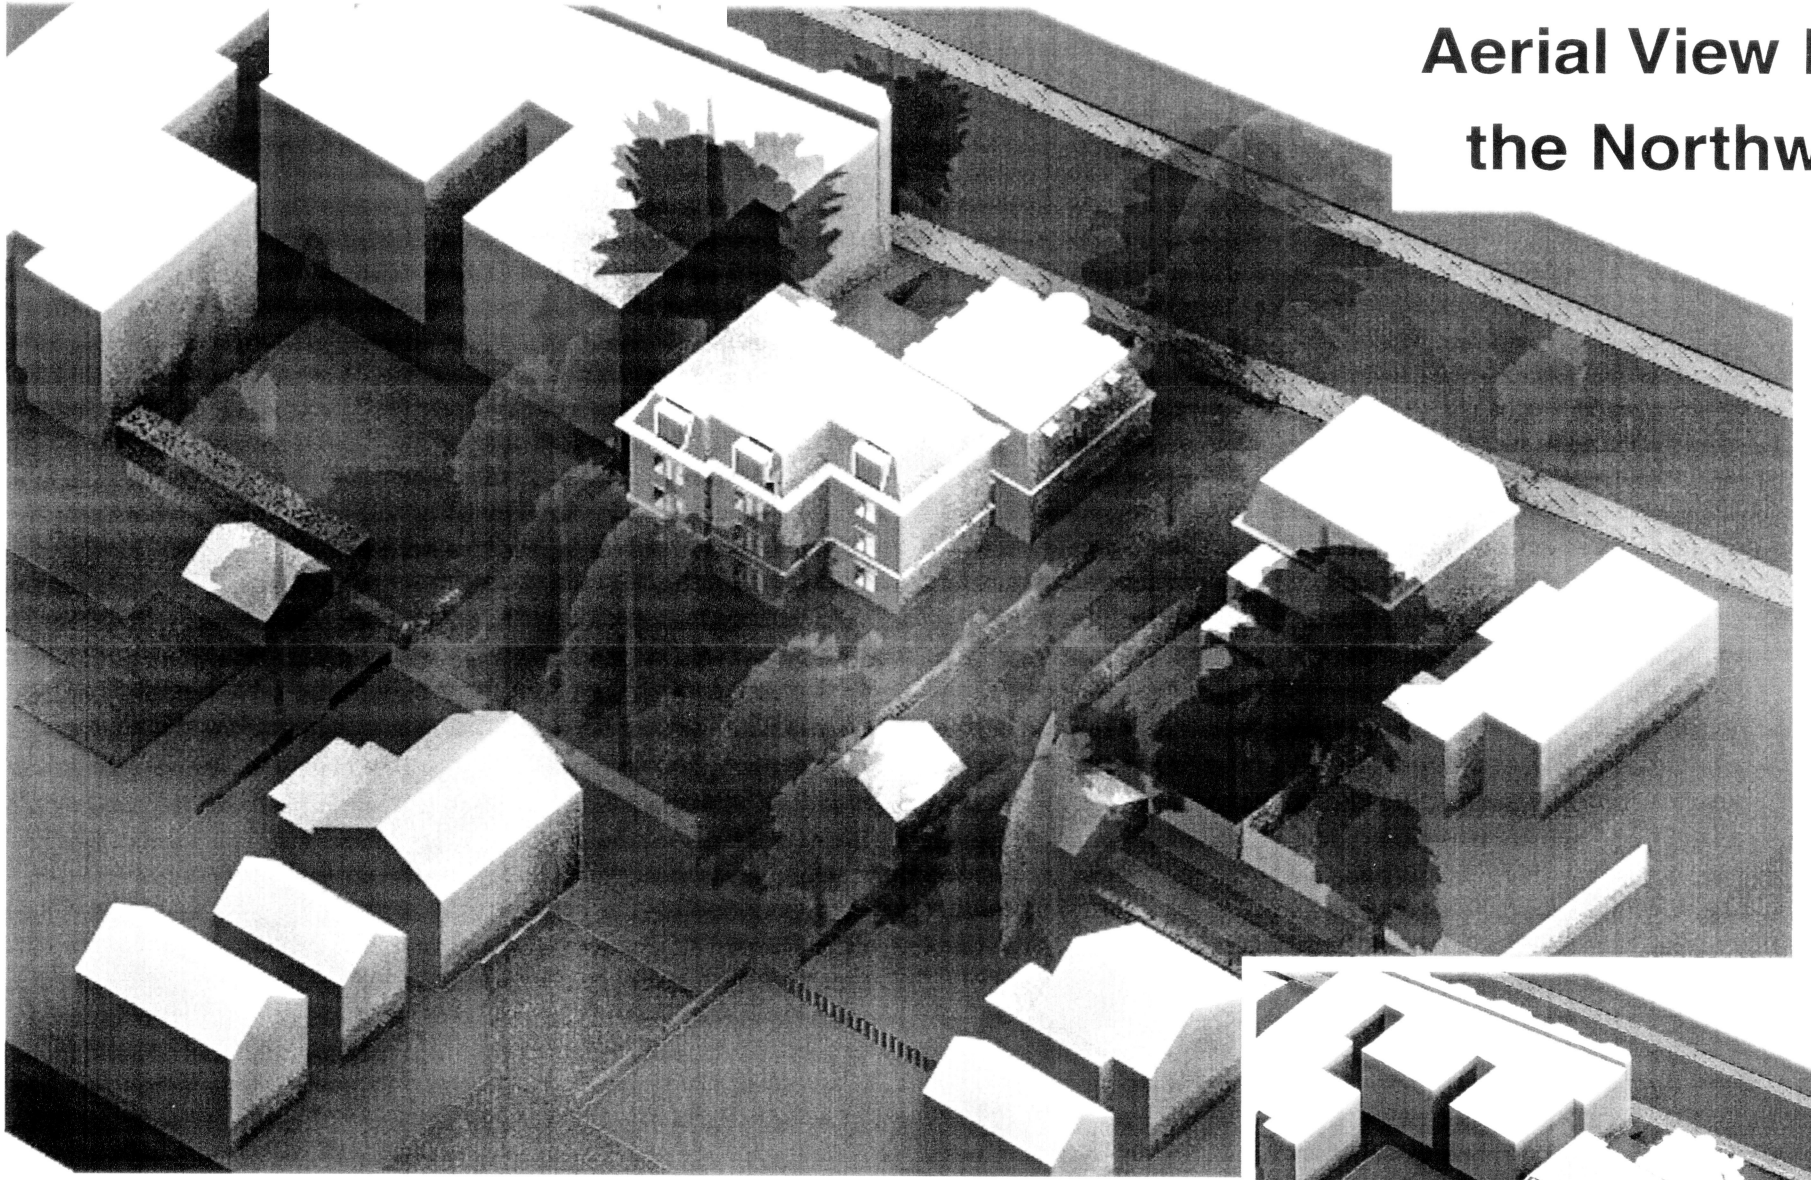

Sincerely,

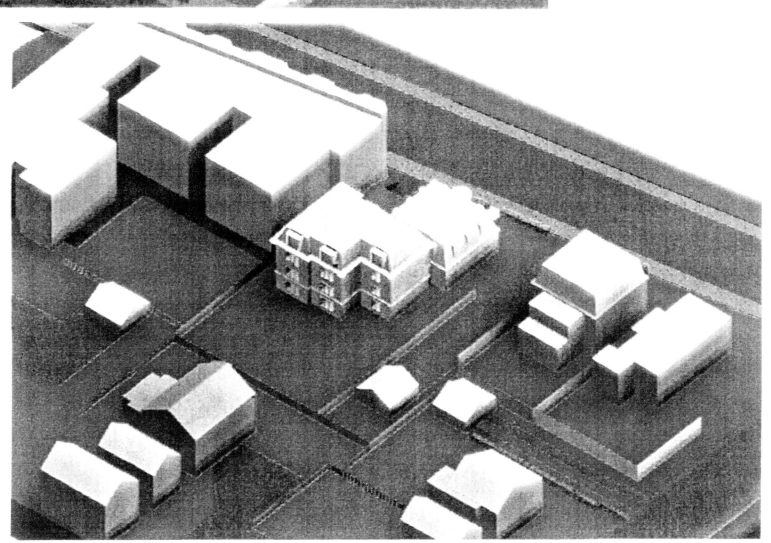

Steven A. Cohen

P.S. I do not have the name and mailing address of everyone who has expressed an interest in this matter. If you have friends or neighbors who did not receive this letter, please extend to them this invitation to visit my office and to discuss the future of 33 Linnaean Street. Thank you.

Aerial View From the Northwest

The new Mansard building is separated from its rear neighbors by a large tree-filled yard. The view at right has been rendered without trees so that the relationship between the buildings and yards can be seen more clearly.

MASSACHUSETTS

Office of the City Clerk

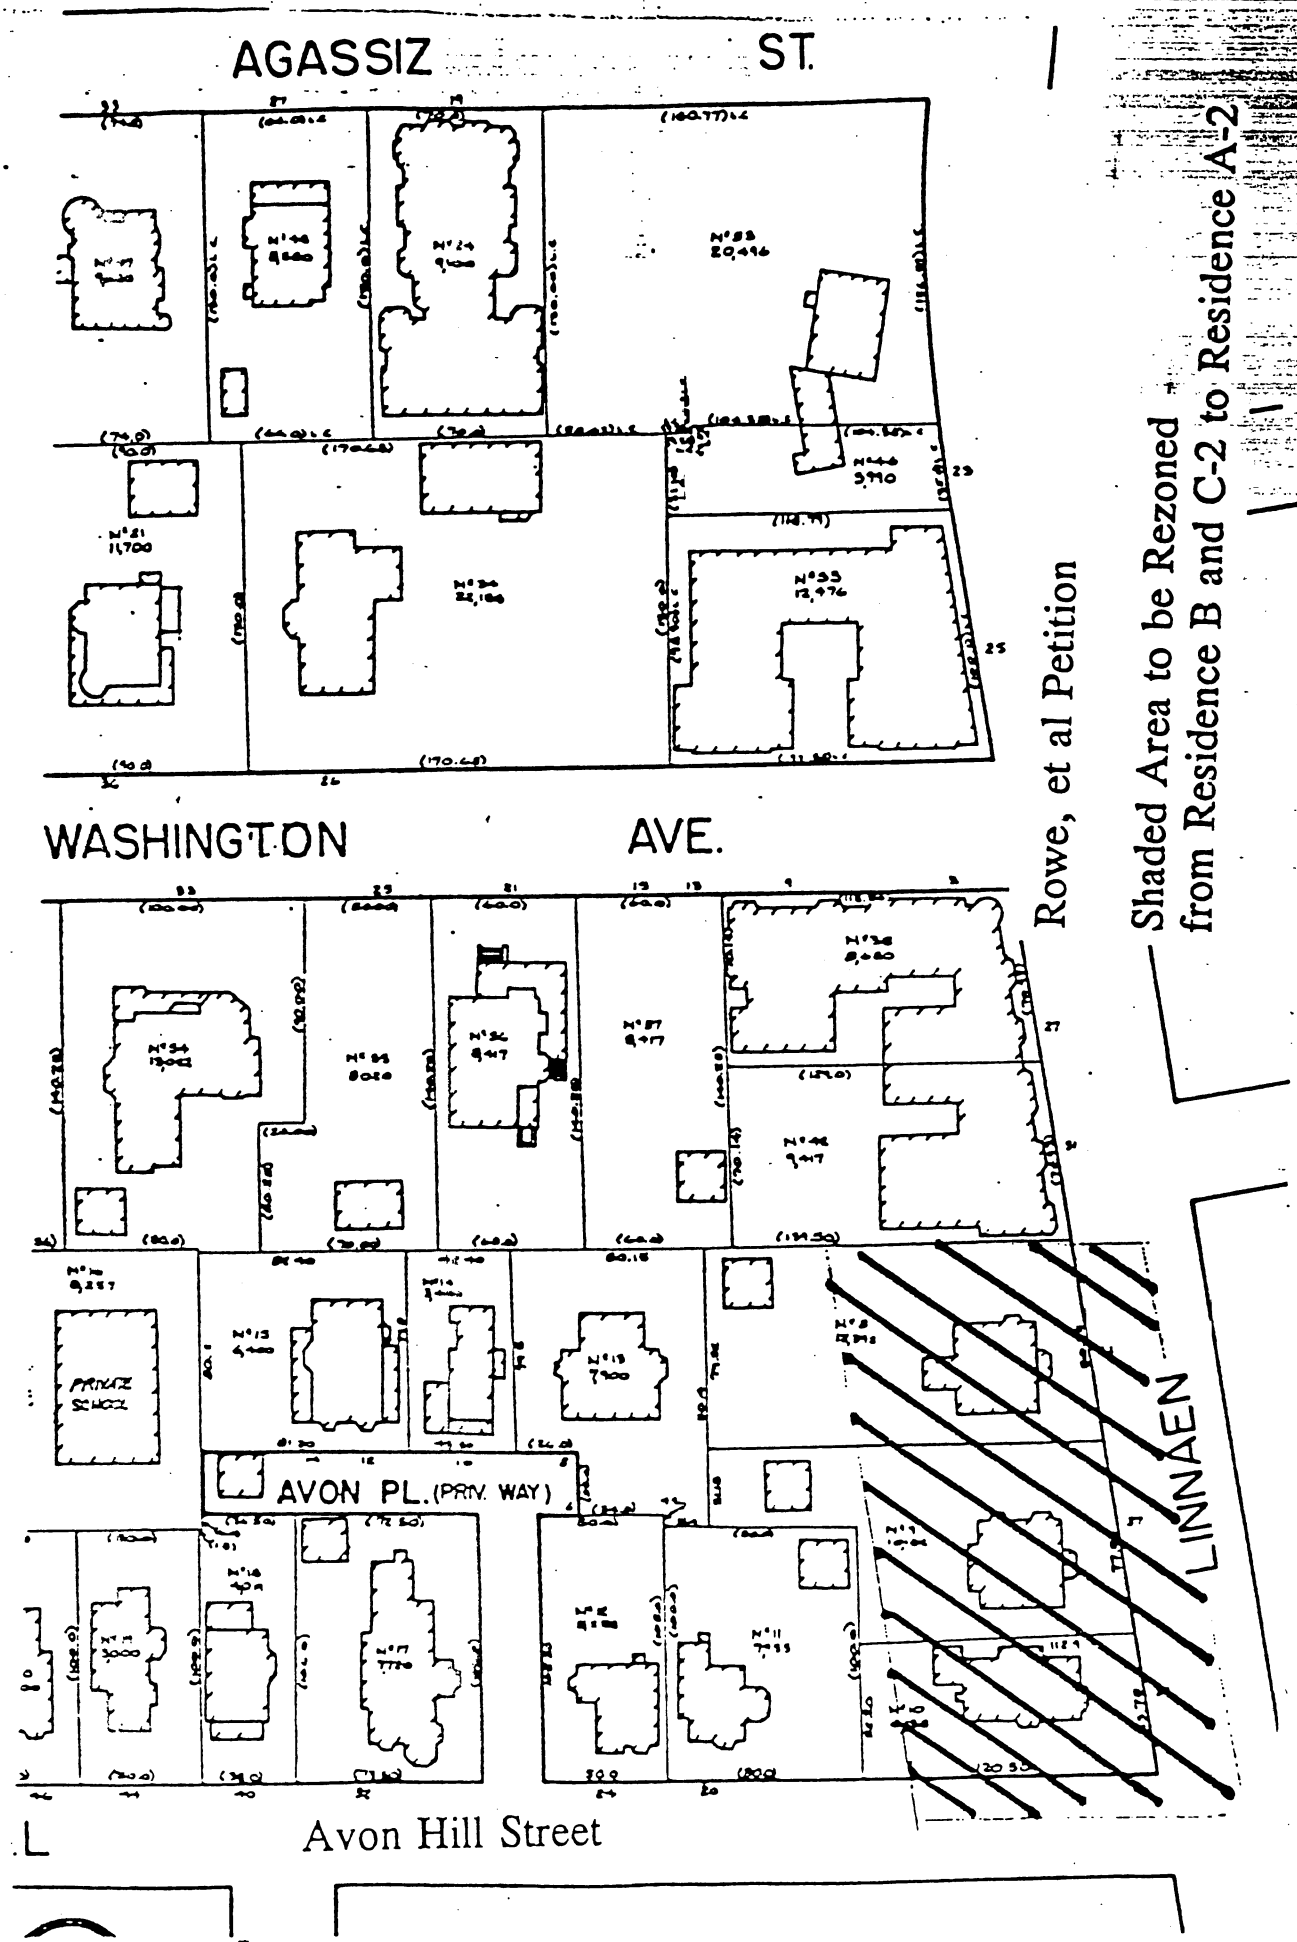

Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 of the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances, comprised of the entire membership of the City Council, will hold a public hearing on **Tuesday, July 9, 1996 at 5:30 P.M.** in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a Zoning Petition by Mary Rowes, et al to rezone an area of Linnaean Street from Residence C-2 and Residence B to Residence A-2 as shown on the accompanying map. The rezoning would restrict development to a Floor Area Ratio of .5 and a height limit of 35 feet. It would increase the required lot width of 65 feet and the minimum lot size to 6,000 square feet and would permit only single family residential uses in the affected area.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts.

All persons interested in this matter may appear at this time and be heard.

For the Committee,

Councillor, Francis H. Duehay,
Chairman.

PRAYER TO THE BLESSED VIRGIN
O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the Sea, help me and show me here you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary, conceived without sin, pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in your hands (3 times). Say this prayer for 3 consecutive days, and then you must publish; it will be granted to you. MR

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude, help of the helpless, pray for us. St. Jude, helper of the helpless, pray for us. St. Jude, helper of the helpless, pray for us. St. Jude, pray 9 times a day; by the 8th day your prayer will be answered. It has never been known to fail. Publication must be promised. My prayers have been answered. ET

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude, help of the helpless, pray for us. St. Jude, helper of the helpless, pray for us. St. Jude, helper of the helpless, pray for us. Say this prayer 9 times a day; by the 8th day your prayer will be answered, it has never been known to fail. Publication must be promised. My prayers have been answered. M.K.O.

Thank You St. Jude for Answering my Prayers. E.L.S.

DISPOSAL SITE
LEGAL NOTICE
NOTICE OF AN ACTIVITY AND USE LIMITATION
Brickyard Realty Trust
80-96 Sherman Street
Cambridge, Ma
Release Tracking Number 3-11916
Pursuant to the Massachusetts Contingency Plan (310 CMR 40.1073), a **NOTICE OF ACTIVITY AND USE LIMITATION** on the above disposal site has been recorded and/or registered with the Middlesex South District on May 30, 1996.

The **NOTICE OF ACTIVITY AND USE LIMITATION** will limit the following site activities and uses on the above property:

1) Any construction activities which remove the asphalt pavement or the building's foundation and exposes the subsurface soils without appropriate practice procedures.

2) Any excavation or removal of soils, loam, peat, sand, gravel, rock or other mineral substance without appropriate practice procedures and supervision by an LSP.

3) Any removal or destruction of trees, shrubs or other vegetation, other than as required for ordinary maintenance or disturbance of the areas which are currently paved, covered by the building foundation, or landscaping. Ordinary maintenance is described as general maintenance of the facility which shall be carried out in a normal professional manner. Any time that the soils are to be disturbed in the paved area of the site or below two feet in the landscaped areas, personnel must first contact the site's LSP for instruction on the procedure and/or supervision of the project by the LSP prior to the work proceeding. If underground utilities require upgrading or maintenance, the LSP must be notified for a scope of work that must be followed. An LSP should be on site prior to and during any subsurface work being conducted at the site to ensure safety of the workers and the public.

4) Any high intensity/high frequency use of the site by children such as a playground, school, daycare center, recreational area or similar facility.

Any person interested in obtaining additional information or reviewing the **NOTICE OF ACTIVITY AND USE LIMITATION** and the disposal site file may contact Brickyard Realty Trust, 80-96 Sherman Street at (617)547-3600.

GOULDMAN ESTATE
LEGAL NOTICE
COMMONWEALTH OF MASSACHUSETTS
PROBATE COURT
MIDDLESEX, ss
96P2229FE
To all persons interested in the estate of May L. Gouldman also known as Anna May L. Gouldman late of Great Falls in the County of Fairfax and Commonwealth of Virginia, deceased.
A petition has been presented to said Court, with certain papers purporting to be copies of the last will of said deceased, and of the probate thereof in said Commonwealth of Virginia duly authenticated, by David S. Leibensperger of York, in the Commonwealth of Pennsylvania, praying that the copy of said will may be filed and recorded in the Registry of Probate in said County of Middlesex, and that he be appointed executor thereunder without surety on his bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the twenty-first day of June 1996, the return day of this citation.

Witness, SHEILA E. McGOVERN, Esquire, First Judge of said Court, this twentieth day of May 1996

Donna M Lambert
Register.

It is ordered that notice of said proceeding be given by publishing a copy of the foregoing citation once in the Cambridge Chronicle a newspaper published in Cambridge publication to be seven days at least before said return day.

Witness, Sheila E. McGovern, First Judge of said Court, this twentieth day of May 1996.

Donna M Lambert
Register.

GREENHOUSE SITE
LEGAL NOTICE
NOTICE OF AN INITIAL SITE INVESTIGATION AND TIER II CLASSIFICATION
MAHONEY'S GREENHOUSE SITE
870 MEMORIAL DRIVE
CAMBRIDGE, MASSACHUSETTS
RELEASE TRACKING NUMBER 3-12440
Pursuant to the Massachusetts Contingency Plan (310 CMR 40.0480), an Initial Site Investigation has been performed at the above referenced location. A release of oil and/or hazardous materials has occurred at this location which is a disposal site (defined by M.G.L. c. 21E, Section 2). This site has been classified as **Tier II**, pursuant to 310 CMR 40.0500. Response actions at this site will be conducted by **Harvard University Engineering & Utilities** which has employed **Deborah H. Gevalt, LSP,** to manage response actions in accordance with the Massachusetts Contingency Plan (310 CMR 40.0000).

M.G.L. c. 21E and the Massachusetts Contingency Plan provide additional opportunities for public notice of and involvement in decisions regarding response actions at disposal sites: 1) The Chief Municipal Official and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40.1403; and 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site, a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405.

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact **Mr. Mark Menefee, Harvard University Engineering & Utilities, 50 Church Street, 4th Floor, Cambridge, Massachusetts** at **(617)-496-5090.**

INPATIENT SERVICES
LEGAL NOTICE
PUBLIC ANNOUNCEMENT CONCERNING
HERITAGE HOSPITAL
All inpatient services at Heritage Hospital, 26 Central Street, Somerville, will be ceasing, effective May 31, 1996. On that date, alcohol addiction patients will be seen at Somerville Hospital, 230 Highland Avenue, Somerville. The Intensive Outpatient Treatment Program (Residential Program) will remain at 26 Central Street under the license of Somerville Hospital. Also on May 31, 1996, adult psychiatric patients, previously seen at Heritage Hospital, will be triaged through the Psychiatric Emergency Department at The Cambridge Hospital, 1493 Cambridge Street, Cambridge.

Cambridge Chronicle, 6/06/96.

JUNE 19 HEARING
LEGAL NOTICE
CITY OF CAMBRIDGE
NOTICE OF A PUBLIC HEARING
Notice is hereby given, pursuant to the Wetlands Protection Act, M. G. L. ch. 131, sec. 40, that the Cambridge Conservation Commission will hold a public hearing on Wednesday, June 19, 1996 at 7:30 p.m. in the Third Floor Conference Room, City Hall Annex, 57 Inman Street.

The hearing will concern a Notice of Intent filed by the Charles River Yacht Club to perform interior construction work on its club house. The yacht club is located on Memorial Drive, upstream of the Longfellow Bridge.

Copies of the applicant's Notice of Intent and other materials may be viewed at the Conservation Commission's office, 57 Inman Street, second floor. Please call 349-4680 to make an appointment.

Estate of Alice G. MacNeill
Late of Cambridge
in the county of Middlesex
NOTICE
A petition has been presented in the above-captioned matter praying that a certain instrument purporting to be the last will of said deceased may be proved and allowed and that. John J. Campbell of Cambridge in the county of Middlesex, be appointed executor without giving surety on his bond.

If you desire to object to the allowance of said petition, you or your attorney must file a written appearance in said Court at Cambridge on or before 10:00 in the forenoon on June 17, 1996.

In addition you must file a written affidavit of objections to the petition, stating the specific facts and grounds upon which the objection is based, within thirty (30) days after the return day (or such other time as the Court, on motion with notice to the petitioner, may allow) in accordance with Probate Rule 16.

WITNESS, Sheila E. McGovern, Esquire, First Justice of said Court at Cambridge, the seventeenth day of May in the year of our Lord one thousand nine hundred and ninety six.

RAMP BIDS
LEGAL NOTICE
INSTALL HANDICAP RAMPS AT WASHINGTON ELMS APARTMENTS
The Cambridge Housing Authority invites sealed bids for Install Handicap Ramps at Washington Elms Apartments

Specifications and documents will be available until the date and time set for bid opening. There is no charge for the documents which will be mailed on request or may be picked up at the Cambridge Housing Authority, Purchasing Department, 675 Massachusetts Avenue, Cambridge, MA 02139. (617) 864-3020.

Bids will be subject to approval and award by the Cambridge Housing Authority Board of Commissioners. Bids will be irrevocable for a period of 30 days from the date of the bid opening.

Bids will be subject to Common Rule 24 CPR 85.36. In addition, any ensuing contract which includes on-site labor will be subject to the appropriate prevailing Wage rates as detailed in the bidding documents.

Bid surety in the amount and form described in the Instructions to Bidders is required with bid submittal and shall be in the form of 5% payable to the Cambridge Housing Authority, and issued by a responsible bank or trust company qualified to do business in the state of Massachusetts.

A 100% performance and payment bond will be required of the awarded contractor. This project generally consists of the excavation and installation of five concrete ramps with welded steel rails.

The Cambridge Housing Authority reserves the right to reject any and all bids and to waive any informalities in bidding if it is in the public interest to do so. The Cambridge Housing Authority also reserves the right to reject bids if less than three bids are received.

Bids must be received at the offices of the Cambridge Housing Authority, 675 Massachusetts Avenue, Cambridge, MA 02139 no later than 4:00 PM on June 14, 1996. At that time all bids will be publicly opened and read aloud.

SUPPORTIVE HOUSING PROGRAM
LEGAL NOTICE
NOTICE TO PUBLIC
COMBINED NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS AND FINDING OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT
CITY OF CAMBRIDGE
DEPARTMENT OF HUMAN SERVICES
51 INMAN STREET
CAMBRIDGE, MA 02139
Telephone: (617) 349-4600
TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:
On or about June 17, 1996, the above-mentioned City will request the U.S. Department of Housing and Urban Development (HUD) to release Federal funds under the Supportive Housing Program to provide housing and supportive services to homeless families and individuals to assist them in making the transition from homelessness to permanent housing. Support services to be provided will include outreach, referral, counseling, and job training.

City of Cambridge Massachusetts
An environmental review of the overall program has been made by the City of Cambridge and is available for public examination and copying at the office cited above. Based on this review, the City of Cambridge has determined that the activities proposed are categorically excluded from the National Environmental Policy Act (NEPA of 1969) (PL. 91-190). All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City to the office of the undersigned. Such written comments should be received by Ken Barnes at the address specified on or before June 14, 1996. All such comments so received will be considered, and the City of Cambridge will not request the release of Federal funds or take any administrative action on the above-named activities prior to the date specified in the preceding sentence. The City of Cambridge is certifying to HUD that the City of Cambridge and the City Manager, in his official capacity as City Manager, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that, upon its approval, the City of Cambridge may use the above cited Federal funds and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the City's certification only if it is on one of the following bases: (a) that the certification was not, in fact, executed by the City Manager or other City official or applicant approved by HUD; (b) that the City's environmental review record for the activities indicated omission of a required process; or (c) that the City has failed to comply with one or more other applicable requirements listed in 24CFR58.75 (Permissible Bases for Objections). Objections must be prepared and submitted in accordance with the required procedure (24CFR58), and may be addressed to the Regional Environmental Officer, HUD, 10 Causeway Street, Boston MA 02222-1092. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objections received after fifteen days from the date of Request for Release of Funds listed above will be considered by HUD.

Robert W. Healy, City Manager

Cambridge Chronicle, 6/06/96.

TERCENTENARY
LEGAL NOTICE
RELATIVE TO ZONING
CITY OF CAMBRIDGE
MASSACHUSETTS
OFFICE OF THE CITY CLERK
Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances, comprised of the entire membership of the City Council, will hold a public hearing on Thursday, June 20, 1996 at 6:00 P.M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a petition from the Planning Board to amend the text of the Zoning Ordinances of the City of Cambridge as follows:

Amend the text of the Zoning Ordinances by deleting the existing Sections 10.48 and 11.202 in their entirety and substituting in place the following:

10.48 As expressly authorized in Section 9 of the Zoning Act, M.G.L., Ch 40A, the following Special Permits; which authorize increases in the permissible density of population or intensity of a particular use in the proposed development, shall be subject to the provisions of Section 11.200 of this Ordinance.

Section 6.35 Reduction in required parking for nonresidential development
Section 11.108 Divergence from dimensional requirements, Massachusetts Avenue Overlay District
Section 11.54.2(2) Additional height, Harvard Square Overlay District
Section 11.54.4(2) Waiver of parking and loading requirements, Harvard Square Overlay District
Section 11.54.5(b) Exemption from yard requirements, Harvard Square Overlay District
Section 11.63.5 Parkway Overlay District
Section 11.63.7 Divergence from dimensional requirements, Parkway Overlay District
Section 11.304.2(b),(c) Additional height,

Summer cultural events will heat up local cities

SUMMER, *from page L1*

audience participation. For further information about the "Concerts in the Park" series, call 972-6486.

Another spot to take in a concert while enjoying the warm summer breezes — but on a much larger scale — is the Harborlights Pavilion, located on Fan Pier in Boston. With a view of the harbor and beyond, Harborlights has a diverse schedule of talent lined up. Some of the highlights of the season include performances by Diana Ross on June 9; Tracy Chapman on August 4; Jackson Browne and Shawn Colvin on August 7 and 8; Tony Bennett on August 10; Elvis Costello on August 14; The Beach Boys on August 23; and the Blues Music Festival on September 10. Call 737-6100 for a complete summer Harborlights schedule.

Closer to home, the Cambridge Arts Council and the Cambridge Department of Human Services/Recreation offer "Summer in the City," a concert series for children and their families. Running from July 16 through August 15, the 10 free concerts take place in parks throughout the city and feature storytelling, music, puppets, clowning and magic for all ages. For further information, call 349-4380.

For anyone who loves the excitement and grandeur that festivals bring, don't miss the fifteenth annual Boston Harborfest, held this year from July 2-7. Featuring such events as walking tours, concerts and cruises, tours of the Boston Harbor Islands, museum exhibits, historic Revolutionary Era reenactments, visits from U.S. and foreign naval ships and more, the Harborfest is a showcase for the rich history and culture of the area. Call 227-1528 for a complete Boston Harborfest schedule.

For those who prefer their entertainment in an indoor setting, a new concert series, "American Classics," debuts this summer at the Swedenborg Chapel in Harvard Square. The series of four concerts brings together American vocal and piano music from the Colonial era to the present. For further information about the "American Classics" series, call 254-1125.

On July 27, Davis Square in Somerville becomes home to the ArtBeat Festival '96, a day-long fair featuring music, arts, crafts and children's activities.

Sponsored by the Somerville Arts Council, Mayor Michael Capuano and Harvard Pilgrim Health Care/Somerville Center, and celebrating its 10th anniversary this year, ArtBeat is an annual professional performing arts festival presented by and for the city of Somerville. Highlights include a showcase of local musicians, hands-on art activities, and visual art displays featuring the innovative "Windows Project." For further ArtBeat information, call 625-6600 ext. 2983.

The Somerville Arts Council is also the sponsor of the August Performing Arts Series, a series of family-oriented performances on Thursday evenings in August. Held at the Community Growing Center in Somerville, the series includes performances by Dan Butterworth and his Marionettes on August 1 and the Mystic Paper Beasts on August 22. Audiences are encouraged to bring a picnic dinner and enjoy the performances under the stars. Call 625-6600 ext. 2985 for more information.

It may not happen until September 7, but the Cambridge River Festival is still one of the most exciting events of the summer season. Sponsored by the Cambridge Arts Council, the 19th annual free festival includes performances on two music stages, a Gospel Tent, a Teen Stage, Children's Stage and Activities Area, a juried crafts exhibit and sale, exotic foods from around the world, an Import Bazaar, a Petting Farm and more. The event takes place along the banks of the Charles River on Memorial Drive, from Harvard Square to Western Avenue. The rain date for the festival is September 8. For more information, call 349-4380.

Whether your summer plans call for a beach vacation or a trip to the mountains, be sure to leave time for the bounty of local arts events offered around the area. And if you had planned to spend the hot summer months in air conditioned hibernation, it might just be time to reconsider.

Southern Rail brings bluegrass to Watertown

BLUEGRASS, *from page L1*

so pure that it appeals to the listener's humanity, the gut-level need for something profound. Like delta blues, it is something at once both lush and stark.

As Horovitch puts it, the band isn't trying to "push the envelope" of bluegrass as much as they're trying to play the best music they can while staying true to bluegrass. As bluegrassers who are sensitive to the treatment of the musical genre by its various players, they recognize that some performers have incorporated rock, folk, country, and jazz styles and instrumentation. Whether this practice has served to discredit bluegrass or entice new listeners, Southern Rail has stayed solidly on the path of the traditional.

"There's enough space within bluegrass itself to remain creative and interesting," said Muller. "We do everything we can to legitimize the music. When we play, it's our chance to put it on the table and let the audience sample it."

Their one stylistic departure is from the harsh tenor vocal that is a seminal feature of early bluegrass. Muller has a voice with a welcome softness that is accessible to listeners accustomed to folkier bluegrass and other mainstream folk and country styles.

In addition, Horovitch's harmony vocal brings in a soprano element not heard in traditional stuff, a sound that waited to be pioneered by the likes of Laurie Lewis in 1970s California-style bluegrass. Their choir-like vocals swing from Roger William's bass vocal to the harmonies of Muller, Horovitch, and banjoist Dave Dick, whose brother, Bob, plays with the Colorado bluegrass outfit, Front Range.

Anyone wondering about the band's technical capability in the face of bluegrass's complex instrumentation and long history of virtuoso musicians need only listen to "High, Low and Wide," a vignette about, of course, the difficulty of faith driven by Dick's string-bending solos and lightning fast accompaniments, or "Hallelujah I'm Ready," which combines a cappella gospel and a blistering banjo solo.

"Glory Train," the Rail's sixth release since they began recording in 1987, is simply some of the most accessible, honest, and pleasurable bluegrass that can be heard today.

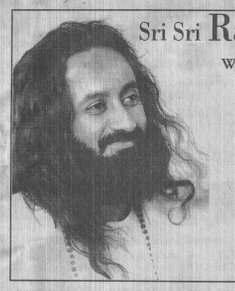

"They're a very tight, good, traditional bluegrass band," said Pleasants, a show host and disc jockey on WGBH-FM and WUMB-FM. "I like the CD and didn't hesitate to play any cuts off of it."

But, as an acoustic outfit, live performances are the meat that Southern Rail lives off of, having played at music festivals from Florida to Newfoundland, Maine to California. Luckily for them, Muller and Horovitch feel that New England is home to a vibrant acoustic music scene.

"I own an electric guitar but I don't have to play it to earn a living," Muller joked. Although a regular gig for a rock, blues, or jazz band might be weekly, Southern Rail has been a regular at the annual First Night Boston and the Father's Day weekend Blistered Fingers Festival in Sidney, Maine for six years running. This year, they will perform at Concord's Fourth of July celebration. In addition, they point to numerous coffeehouses that keep the public aware of different styles of music, including bluegrass.

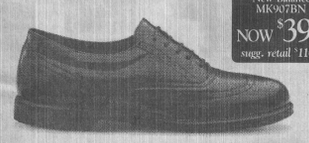

While the reward of being traveling musicians is having what amounts to an extended family, the band is looking forward to playing to a hometown crowd in Saltonstall Park.

Southern Rail plays at Saltonstall Park in Watertown on Saturday, June 8 from 6-8 p.m. Indoor rain location is the Boy's and Girl's Club, 25 Whites Ave. in Watertown. The concert is free. For further information, call 891-0258.

WANTED: COWGIRL. SWM, 40, 5'9", 185lbs, brown hair, hazel eyes. In search of cute cowgirl between 30-40

SPORTSWIRE

Four Warriors on CCL All-Star Team

Four members of the Matignon High baseball team, which finished the season as Catholic Central League champions, were named to the CCL baseball all-star team, the Lynn Daily Evening Item announced recently.

Members of the team from Matignon included seniors Doug Rexrode (P/OF) and Ron Abbott (P/OF/1B), and juniors Niko Dimitrakos (IF/C) and R.J. Tolan (IF). Rexrode was also named league MVP.

Pop Warner signup is next week

Cambridge Pop Warner will be holding its annual registration drive for its football and cheerleading programs around the city in coming days. Anybody interested in registering for either program must bring a parent with them, along with a $10 deposit to secure a seat.

The following are the registration dates:

- Saturday, June 8, Harrington School, cafeteria, 10 am-12 noon;
- Thursday, June 13, Kennedy School, 7-9 pm;
- Thursday, June 20, King School, 6-8 pm.

Seats are going fast. For more information, contact the Cambridge Pop Warner hotline at 499-CPWF (499-2793).

Youth football clinic to be held June 15

A youth football clinic for boys and girls ages 7-18 will be held Saturday, June 15, at MIT's Steinbrenner Stadium, located on Vassar Street. The clinic is open to all and will last from 9 am to noon.

Also, there will be a similar clinic July 13, which will be held at Russell Field in North Cambridge. The same times apply.

Matignon wins extra-inning playoff duel, 3-2

BY SEAN SMYTH
Chronicle Sports

A ninth-inning RBI single from sophomore shortstop Paul Gately, a Cambridge native, lifted the Matignon High baseball nine to an emotional 3-2 win over Amesbury Tuesday afternoon in Division 3 North sectional action at Amesbury. Gately's single scored senior Doug Rexrode from second base, helping Matignon advance to the bracket's semifinal round for the first time since 1992.

After the Warriors (15-7) took the lead in the top of the ninth, starter Shaun Clark (6-4) stepped in and wrapped up his first state tournament win.

Matignon had jumped out to a 2-0 cushion, but saw Amesbury knot things up in the sixth inning.

"It was a big win," Warriot mentor Paul Halloran said. "They were the No. 2 seed and we had heard a lot about them."

One of the people Halloran had heard about was Fighting Indian lefty hurler Graham MacKay. MacKay went the distance for Amesbury, striking out 13 and scattering eight hits.

Despite MacKay's general excellence, he was shaky in the opening innings. In fact, he allowed a huge two-run blast to Matignon's Peter Silvestro in the second, giving the visitors the lead.

Amesbury countered with a run in the bottom of the frame, pulling within one. MacKay then helped his own cause with a two-out RBI single in the bottom of the sixth, tying the game up and sending it into extra innings.

> *"It was a big win."*
> **Matignon coach Paul Halloran**

Clark found himself in jams in the seventh and eighth innings, with runners on second and third with one out in both innings. He subsequently loaded the bases with two out in the eighth, but worked his way out again. In his performance, Clark yielded six hits and fanned eight.

"He worked his way out of several jams, and that was critical," said Halloran.

Another Matignon player who came up big was junior catcher Niko Dimitrakos, who held Amesbury's running game in check after throwing out two consecutive runners in the third.

After Amesbury knotted the contest at 2-2, Halloran knew things would not be easy.

"I knew it would be difficult," admitted Halloran, in his fourth season at Matignon. "I felt our best chance would be if we went into extra innings, and maybe outlast [MacKay]."

MacKay was still in there in the ninth, but it did not matter, as Rexrode, the Catholic Central League MVP, reached on a double which barely fell inside fair territory. The next batter, Gately, soon came to the rescue.

For Matignon, the win signified the first time that the school had advanced to the semifinals since 1992, when it won, only to fall to eventual state champion Marblehead.

Girls tennis team wins playoff match

The Cambridge Rindge and Latin girls tennis team improved on one of its best seasons ever Tuesday afternoon, handing North Andover High a 3-2 loss at Cambridge Rindge and Latin in Division 1 North sectional action.

With the win, the Falcons advanced to the Division 1 North sectional semifinals, which were slated for yesterday.

NOTICE OF AVAILABILITY OF HILL-BURTON UNCOMPENSATED SERVICES

Mount Auburn Hospital of Cambridge, Massachusetts will make available from October 1, 1996 to September 30, 1997 at least $400,000 of Hill-Burton uncompensated services. All services of the facility will be available on a first request, first served basis to eligible persons who are unable to pay for hospital services until this hospital's annual compliance level is met.

Persons whose family income is above, but less than double, the poverty income guidelines (Category B) will be considered for full free care in accordance with the schedule below.

We invite interested parties to comment on this allocation plan.

This notice is published in accordance with 42 CFR 124.504 Notice of the Availability of Uncompensated Services and will become effective on October 1, 1996.

INCOME ELIGIBILITY FOR UNCOMPENSATED SERVICES FIGURES BASED ON ANNUAL GROSS INCOME

Family Size	Poverty Guidelines	200% Poverty Guidelines
1	$ 7,740	$15,480
2	10,360	20,720
3	12,980	25,960
4	15,600	31,200
5	18,220	36,440
6	20,840	41,680
7	22,460	46,920
8	26,080	52,160

For families with more than eight members, add $2,620.00 for each additional member.

PUBLIC NOTICE RELATIVE TO ZONING
City of Cambridge
MASSACHUSETTS
Office of the City Clerk

Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 of the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances, comprised of the entire membership of the City Council, will hold a public hearing on Thursday, June 27, 1996 at 5:30 P.M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a Zoning Petition by Robert Lohnes, II, et al to rezone an area of Green Street from Business B-1 to Residence C-1 as shown on the accompanying map. The rezoning would restrict development to a Floor Area Ratio of .75 and a height limit of 35 feet. It would increase the required lot width to 50 feet and the minimum lot size to 5,000 square feet, and would prohibit business and office uses in the rezoned area.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts. All persons interested in this matter may appear at this time and be heard.

For the Committee,
Councillor, Francis H. Duehay, Chairman

COMMUNITY NOTES

Hoops 'n' Health

The Men of Color Task Force, in conjunction with the Cambridge Hospital, will host its third annual Hoops 'n' Health Basketball Tournament and Health Fair on Saturday, June 8, at Hoyt Field (Gilmore Street off Western Avenue), 9 am to 6 pm.

Hoops 'n' Health is an event that provides a comfortable, nonthreatening introduction to primary health care by linking participation in this special one-day tournament with mandatory health screenings. Through Hoops 'n' Health, more than 300 men have been examined and approximately 2,000 spectators have received vital health care information.

This year's event has been expanded to include several other community services such as resume workshops and voter registration information. This much-anticipated event is the cornerstone of the Cambridge Hospital's Men of Color Task Force, an outreach effort to provide quality care and access to men of color of Cambridge. For more information, call Jeffrey Beard, director of the Men of Color Task Force, at 498-1109.

BANK OF BOSTON SENIOR CLASSIC NYNEX

This Father's Day Give Dad The Chance To Play With A Pro!

Youville health fair is June 20

Youville Lifecare in Cambridge is hosting a "Healthy Summer Living Fair" on Thursday, June 20, from 10 am to 2 pm.

The fair will offer an array of activities and screenings to help older adults and other participants stay healthy during the summertime. Light refreshments will be served.

The fair will offer hearing testing, blood-sugar screening, and blood pressure testing. Health care professionals will also provide educational information on respiratory risks associated with heat and poor air quality, food safety, home safety, and accident prevention in the summer. Information about flu shots will also be available.

The fair will take place in the Cullinane Center at Youville Lifecare, on 1575 Cambridge St. For further information call 349-5900. The fair is open to the public and free of charge.

Whist party June 8

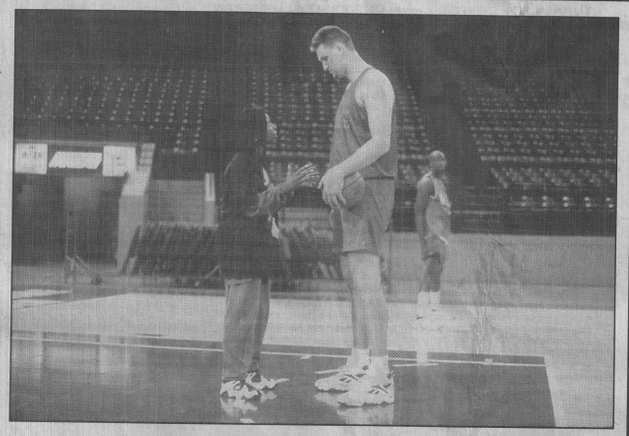

Youville Hospital Guild will hold its annual progressive whist party and spring festival at the Cullinane Center, Youville Hospital and Rehabilitation Center, 1575 Cambridge St. on Saturday, June 8, starting at 11 am for lunch and snacks, with whist beginning at 1 pm.

Games people play

BY DAVID BRUDNOY

Eddie (PG-13)
★★★

Even though she's the coach, Whoopi Goldberg always looks up to player Dwayne Schintzius.

An apt, unforced comparison is nice and often useful in the film reviewing business. For instance, as if in a college course essay: Define the role of actual basketball playing in recent films, and compare and contrast. Whatever you say, Prof, here goes: In "Celtic Pride" the actual game-playing occupies very few minutes in the film, and the star (Damon Wayans), though adroit on the court, isn't a pro, and it shows; whereas in "Eddie," the players include genuine top hoopsters like John "Spider" Salley, Rick Fox, Malik Sealy, Mark Jackson, Dwayne Schintzius, Greg Ostertag, Vernel Singleton, and dozens of others — not that I've the slightest idea who these fellows are; the press kit tells me they're *hot* stuff — and the basketball playing is first-rate. Even Mayor Giuliani, as himself, is pleased.

"Eddie," originally intended for a male lead, now stars Whoopi Goldberg, who sails through her part as a zealous New York Knicks fan who gets to be honorary coach for one day and coach for real the next, with consummate ease and with her trademark hair thingies nicely akimbo. The Knicks — this is fiction — are in last place, and the real coach (Dennis Farina) is swiftly sacrificed by the oleaginous owner, Wild Bill Burgess (Frank Langella), when he realizes that the crowd just loves gutsy, flamboyant Eddie. The guys on the team are less thrilled. (Essay assignment #2: Compare and contrast the Whoopi Goldberg role here with Rhea Perlman's similar role, on the high school level, in "Sunset Park.") Her task is to convince the boys that she's really one of the boys, so to speak, and to free them from their commercial obsessions — this from a movie just shouting its commercial tie-ins throughout — and get them to act like a cohesive unit. Care to guess if she does it?

Frank Langella is a sly fox here, first intending to sell the team to (God forbid) St. Louis, then instructed otherwise by Eddie and the fans. We all cheer. We go home filled with joy. "Eddie" is mediocre but fun nonetheless, and its box office success is certain.

Written by Jon Connolly & David Loucka and Eric Champnella & Keith Mitchell and Steve Zacharias & Jeff Buhai; directed by Steve Rash.

QUICK FLICKS

ONGOING FILMS

➤ **COLD COMFORT FARM** (PG-13) From a beloved 1930s novel. John Schlesinger has fashioned, courtesy Malcolm Bradbury's screenplay, a rollicking semi-madcap comedy about a well-intentioned young tinkerer (Kate Beckinsale) who, despite the advice of her vivacious friend (Joanna Lumley), who collects brassieres and displays them on wooden models (I'm not making this up), ventures to the backward countryside and reforms an entire family, who make the Beverly Hillbillies look like members of the Myopia Hunt Club. With Freddie Jones, Ian McKellen, Rufus Sewell and other worthies. (D.B.) ★★★★

➤ **DRAGONHEART** (PG-13) Aimed most likely at the just-barely-pubescent boy audience, this resembles TV's appallingly stupid but globally popular "Hercules." Its dialogue makes one wince, its contemporary impositions on 10th century English life are hysterical, but not intentionally, and its violence level is fiercer than its PG-13 rating. Dennis Quaid does what he can as the valiant knight, David Thewlis is appropriately vile as the villain, and best of all is the computer-generated dragon and Sean Connery as its voice. (D.B.) ★★ 1/2

➤ **HEAVEN'S PRISONERS** (R) Another slime-in-the-bayou misery drama, about a former cop (Alec Baldwin) going after some hit men. Eric Roberts is quite sleazily splendid as a would-be crime boss; Mary Stuart Masterson does her used-to-be-a-lowlife-but-now-I'm-not routine; Teri Hatcher opens new avenues for her career as, here, a dangerous lady. (D.B.) ★★ 1/2

➤ **HORSEMAN ON THE ROOF** (unrated) A huge hit in France, the novel has spawned director Jean-Paul Rappeneau's exuberant, scenically enticing romance centered on a dashing Italian revolutionary trying to get back home and the gorgeous aristocrat whom he befriends and wants to love. The exquisite Juliette Binoche and newcomer Olivier Martinez star. (D.B.) ★★★★

➤ **I SHOT ANDY WARHOL** (R) Lili Taylor gets closer to the acting A-list with her riveting performance as Valerie Solanas, the rather unbalanced writer-feminist who critically wounded the pop artist in 1968. The fierce and funny film recreates the times in intimate detail. Supporting parts by Jared Harris as Warhol and Stephen Dorff as Candy Darling are outstanding. (E.S.) ★★★★

➤ **MAN WITH A PLAN** (unrated) A hilarious mocumentary about an old Vermont farmer who decides, for no particular reason, to run for Congress. His opponent: a 12-year veteran nominated by both major parties. Our hero — real-life old coot Fred Tuttle — mounts a campaign with no money, intelligent ideas, media savvy, or anything else. The tongue-in-cheek satire emerges so satisfactorily that we want the muddles fellow to win. (D.B.) ★★★★

➤ **MISSION IMPOSSIBLE** (PG-13) The fondly remembered TV series returns, now to the big screen, with its title and musical theme and... alas, not much else. This amounts primarily to a Tom Cruise vanity production, with our producer/star playing nearly the last remaining Impossible Missions Force member. Jon Voight does the Peter Graves role, and Henry Czerny and Vanessa Redgrave are on hand as villains, sorta. The special effects do nicely, but all else seems redundant and, now and again, incomprehensible. (D.B.) ★★★

➤ **THE PALLBEARER** (PG-13) A 20-something nice guy (David Schwimmer) is asked to give the eulogy for a classmate he can't remember and whose mother (Barbara Hershey) has other plans for him. The girl of his dreams (Gwyneth Paltrow) gives him fits, and his buddies are no use. The movie has moments of tenderness but largely falls flat. (D.B.) ★★★

➤ **SPY HARD** (PG-13) After an uproarious first 20 minutes, this spoof of the James Bond series (as well as just about every major film released over the past couple of decades) loses some energy and gets mired down in silliness. But it somehow keeps jump-starting itself and getting funny again. Leslie Nielsen glides through the lead with comic finesse. Among the cameos are a silent Hulk Hogan, a nasty Robert Culp and a bus-driving Ray Charles. Andy Griffith is great as the arch villain, General Rancor. (E.S.) ★★★ 1/2

➤ **THE TRUTH ABOUT CATS AND DOGS** (PG-13) A gentle comedy about a sweet radio host specializing in animal matters (Jeaneane Garafalo) who is insecure and who therefore has a friend (Uma Thurman) impersonate her — so that a smitten young man (Ben Chaplin) will see with his eyes what his mind has imagined. Complications ensue. (D.B.) ★★★ 1/2

➤ **TWISTER** (PG-13) Here's the newest in the natural disaster film arena. Tornado chasers Helen Hunt and Bill Paxton are after the big one. As are their cohorts, their competition (a smarmy Cary Elwes) and a nervous outsider (Jami Gertz). Dazzling special effects pretty much make up for routine Hollywood formula in the story department. Check out the flying cows! (E.S.) ★★★★

By David Brudnoy (D.B.) and Ed Symkus (E.S.).

OFFICE OF THE CITY CLERK

CITY OF CAMBRIDGE
CITY HALL, CAMBRIDGE, MASSACHUSETTS 02139

(617) 349-4260
FAX (617) 349-4307

D. MARGARET DRURY
CITY CLERK

June 18, 1996

TO: THE HONORABLE, THE CITY COUNCIL

FROM: DONNA P. LOPEZ
INTERIM DEPUTY CITY CLERK

SUBJECT: RESCHEDULED ORDINANCE HEARING ON THE ROWE ZONING PETITION.

Please be advised that the original hearing scheduled for Thursday, June 27, 1996 at 6:30 p.m. has been rescheduled to **Tuesday, July 9, 1996 at 5:30 p.m.** on the petition by Mary Rowe, et al to rezone an area of Linnaean Street from Residence C-2 and Residence B to Residence A-2.

This hearing was rescheduled due to a production error by the Chronicle.

I hope that this information will be beneficial to you.

Thank you for your cooperation in this matter.

PUBLIC NOTICE

C. C. 106 RELATIVE TO ZONING.

City of Cambridge

MASSACHUSETTS

Office of the City Clerk

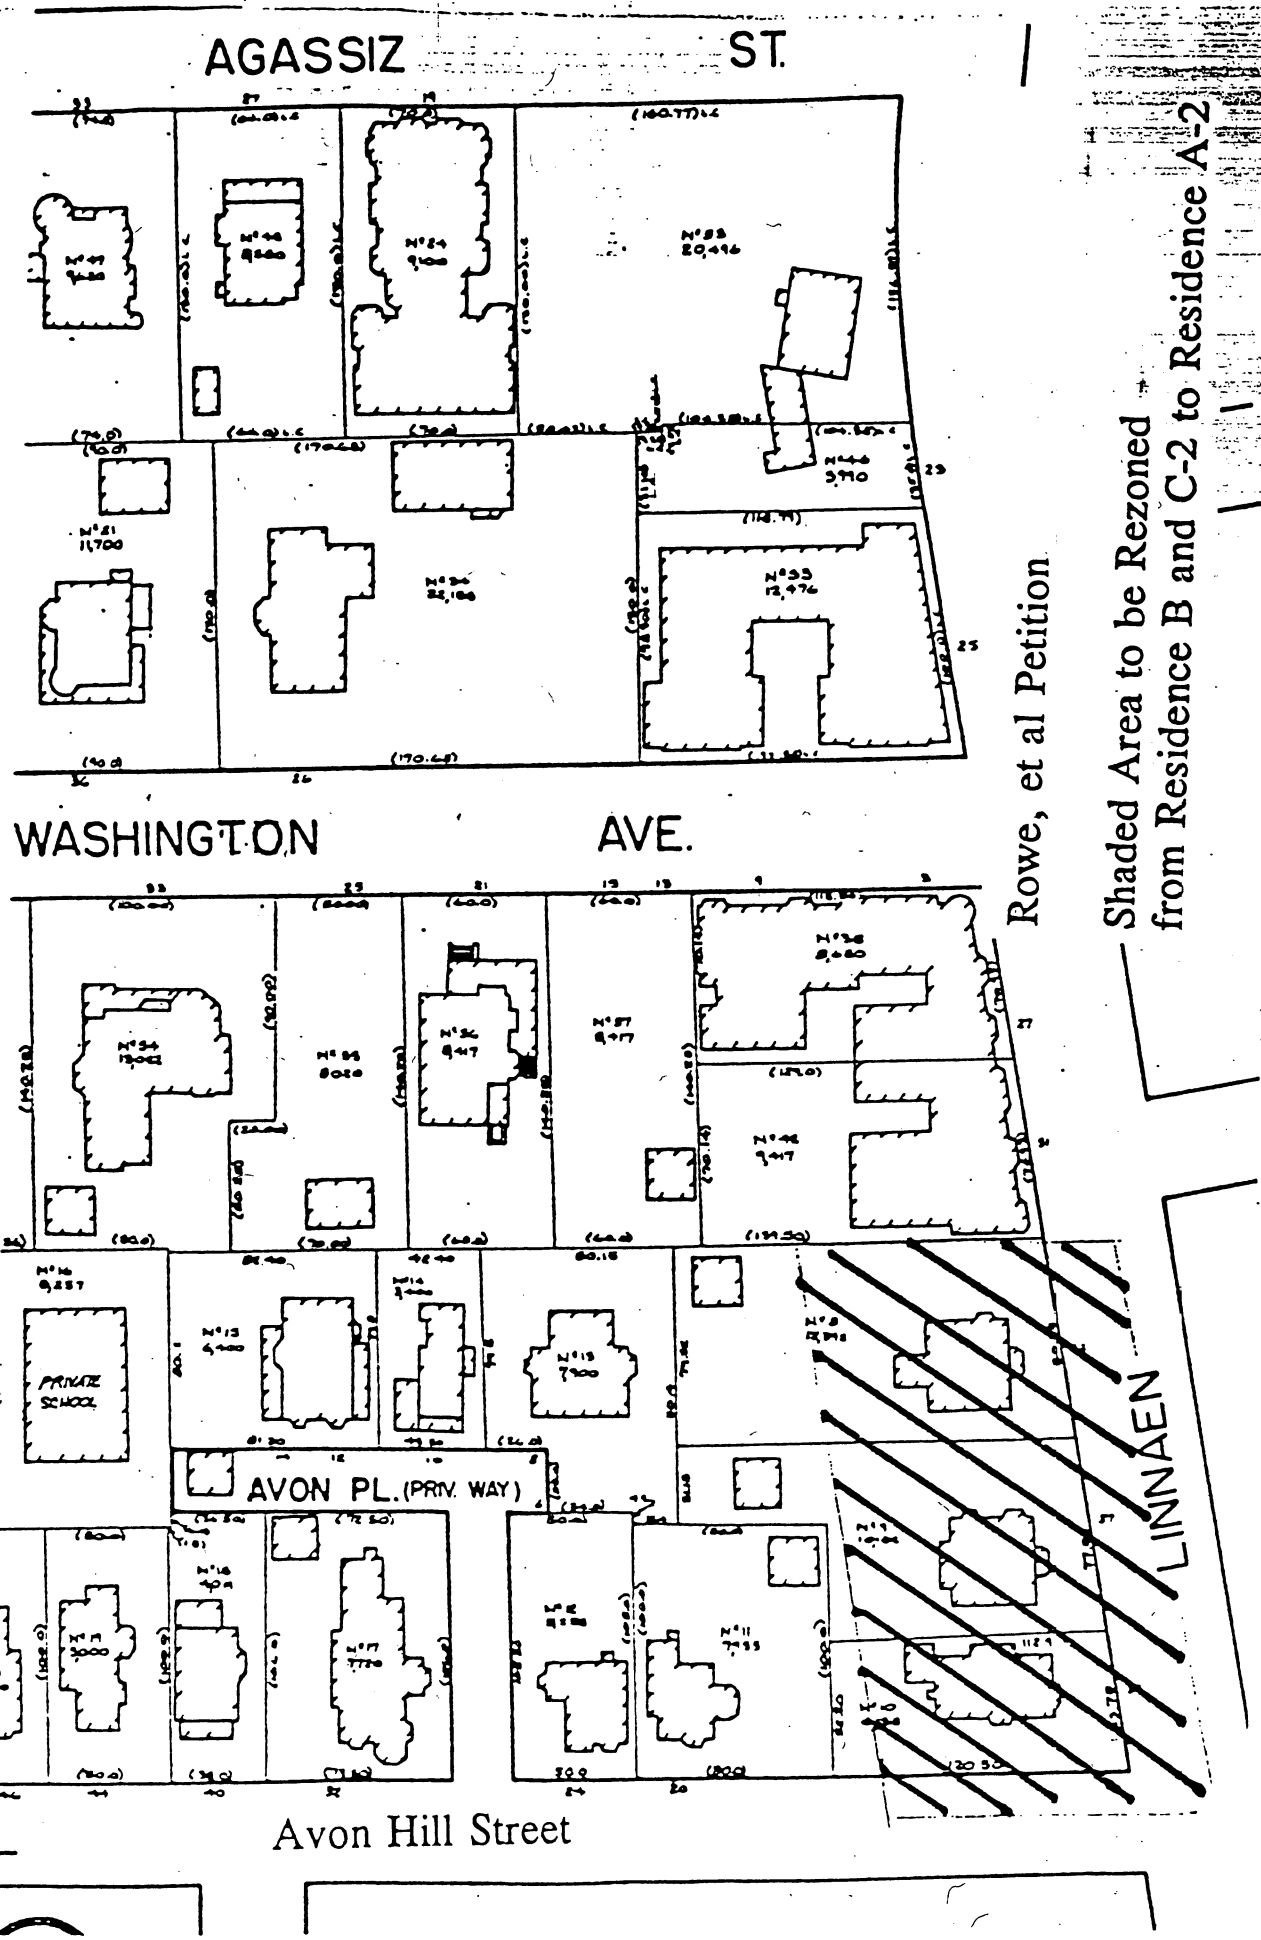

Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 of the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances, comprised of the entire membership of the City Council, will hold a public hearing on **Tuesday, July 9, 1996 at 5:30 P.M.** in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a Zoning Petition by Mary Rowes, et al to rezone an area of Linnaean Street from Residence C-2 and Residence B to Residence A-2 as shown on the accompanying map. The rezoning would restrict development to a Floor Area Ratio of .5 and a height limit of 35 feet. It would increase the required lot width of 65 feet and the minimum lot size to 6,000 square feet and would permit only single family residential uses in the affected area.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts.

All persons interested in this matter may appear at this time and be heard.

For the Committee,

Councillor, Francis H. Duehay,
Chairman.

To Whom It May Concern:

Enclosed you will find a copy of a hearing scheduled before the Committee on Ordinances for ~~Thursday, June 27,~~ Tues July 9 1996 at 5:30 P.M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a petition to rezone an area of Linnaean Street from Residence C-2 and Residence B to Residence a-2 as shown on the accompanying map. The rezoning would restrict development to a Floor Area Ratio of .5 and a height limit of 35 feet. It would increase the required lot width of 65 feet and the minimum lot size to 6,000 square feet and would permit only single family residential uses in the affected area.

Your kind attention in this matter will be greatly appreciated.

Very truly yours,

D. Margaret Drury
City Clerk

Supplemental Information Supporting Linnaean Street Zoning Petition

This petition seeks to bring the zoning of the affected properties into conformance with the neighboring dwellings on the block. These properties were last downzoned in 1978, and the neighborhood feels that the zoning was applied at that time in an inconsistent manner.

There are three affected properties:

1) 33 Linnaean Street, which has a lot of 12,392 square feet, more or less, of which 8,000 is zoned Residence C-2, and 4,392 is zoned Residence A-2.
2) 37 Linnaean Street, which has a lot of 10,182 square feet, more or less, of which 7,800 is zoned Residence B, and 2,382 is zoned Residence A-2.
3) 39 Linnaean Street, which has a lot of 6,138 square feet, more or less, of which 5,400 is zoned Residence B, and 738 is zoned Residence A-2.

The Residence A-2 zone prevails on the block, except for the affected properties and the south east corner where a four story brick apartment building is zoned Residence C-2. The petition seeks to bring the properties into the Residence A-2 zone. The buildings in question are three 19th century houses. All similar buildings in the block (and abutting Avon Hill) are zoned Residence A-2.

Lester Barber of the Community Development Department has told me that under the current zoning the lot at 33 Linnaean Street could have a building 85 feet tall, with up to 13 dwelling units.

At recent public hearings of the Cambridge Historical Commission, the building at 33 Linnaean Street was found to be both "significant" and "preferably preserved," as defined under Ordinance 965 adopted by the City Council in 1979.

All neighbors and abutters who have expressed an interest in this matter have supported the downzoning. The owner-occupants of the buildings at 37 and 39 Linnaean Street have signed the zoning amendment petition.

The neighborhood is working with the owner of 33 Linnaean Street to locate a buyer that will purchase 33 Linnaean Street and will make this a petition that can be supported by all of the affected owners.

To the Honorable, the **CAMBRIDGE CITY COUNCIL**, we the undersigned hereby petition to Amend the Zoning Map of the City of Cambridge by striking out the designation Residence C-2 and Residence B and substituting therefor the designation Residence A-2 for that area of land described thus:

Beginning at a point said point being the intersection of the centerline of Linnaean Street and the eastern lot line of lot #8 as shown as Assessors' Plat #211 and its extension;

Thence running northerly along the eastern lot line of lot #8 as shown on Assessor's Plat #211 and its extension for 125 feet more or less to its point of intersection with a line 100 feet distant from and parallel to the northern streetline of Linnaean Street;

Thence running westerly along a line 100 feet distant from and parallel to the northern street line of Linnaean Street for a distance of 230 feet more or less to its intersection with the centerline of Avon Hill Street;

Thence running in a southerly direction along the centerline of Avon Hill Street for a distance of 125 feet more or less to its intersection with the centerline of Linnaean Street;

Thence running in an easterly direction along the centerline of Linnaean Street for a distance of 230 feet more or less to the point of origin.

Premises of the following parcels as designated on Assessors' Plat 211: Odd numbers 33, 37 and 39 Linnaean Street and which includes all or parts of lots numbered 8, 9, and 10.

Cambridge City Council
City Hall
Cambridge, MA

To the City Council:

I am writing to express my reasons for supporting the Lohnes Petition downzoning areas of Green Street from Business B-1 to Residence C-1.

The Lohnes Petition is an extension of already existing Residence C-1 areas. It will further the Planning Board's goal of protecting the residential neighborhood on Green Street which led to the 1980 rezoning of similar adjacent sections of this street to Residence C-1. It will also correct erroneous zoning which has long been unwise and unjust because it has been more suitable to a central business district than the small-scale residential neighborhood that Green Street has remained.

I am including a summary of each of the zoning amendments that have rezoned sections of Green Street in Riverside since areas of this neighborhood first lost their Residential zoning designation in 1961.

Sincerely yours,

Elizabeth E. Snow

Elizabeth E. Snow

Lohnes

1961 ZONING AMENDMENT (Included Mass. Ave. between Sullivan Square and Central Square and parts of Green St.)

In 1961, Mass. Ave. between Sullivan Square and Central Square was rezoned from Business A to Office. Parts of Green St. previously zoned Residential were also included. One purpose of this rezoning was to attract the spillover office demand from Harvard Square into "Central Square". The new zoning was far less restrictive than the previous zoning. In 1969, the Planning Board described it as, "the meshing of investor interest and the development potential permitted by the office district."

Although the planning goals, including urban renewal, might have been admirable, the original zoning did not seem to have been unwise or unjust for this narrow stretch of Mass. Ave. which is tightly circumscribed by residential neighborhoods. The new zoning encouraged high-density development with the resulting increases in traffic and population concentration that did not seem to have benefitted the public welfare.

Even as part of a broader plan, the validity of this zoning for this section of Mass. Ave. is questionable, but the introduction of zoning suitable for central business districts into a residential neighborhood like Green St. is clearly a violation of sound zoning practices. The rezoning of parts of this street in a way which "meshed with investor interest" and attracted spillover office demand into a residential area was detrimental to the neighborhood and counter to the provision that zoning amendments are acceptable only when the original zoning is invalid, erroneous, unwise or unjust.

1969 ZONING AMENDMENT (Mass. Ave. between Bay and 1010 Mass Ave., through to Green St.)

In 1969, MIT petitioned for a change from Office to Business B zoning for the area between Bay St. and 1010 Mass. Ave. Unlike the Office district, the Business district then had no setback or parking requirements and had a higher FAR (4) except for residential purposes, which in both districts was 3.

MIT planned to build a residential development on part of this site which was then occupied by a popular grocery store. MIT convinced the neighborhood to support the petition by pointing out that without zoning which would permit business uses

the proposed building could not rehouse the store. If the zoning petition failed, the development would still be built, but the grocery store would be lost.

The Planning Board could reach no decision about this petition. Although the preservation of the neighborhood grocery store was preferred, there was no way to prevent less desirable uses once the less restrictive zoning was passed.

Those members of the Board opposed to the petition pointed out that although MIT gave certain assurances as to the character of the development, these assurances would not be enforceable. Therefore, the petitioner's (MIT) development plans had no real value in evaluating the zoning case. They also noted that this zoning change might have a negative impact on the surrounding neighborhood:

> Business B is designed as a central business district zone . . . The location in question is midway between two existing central business districts, suffers from a dearth of adequate circulation and transportation facilities and is tightly circumscribed by residential neighborhoods which would bear the brunt of a significant increase in business activities, traffic and parking demand.

This petition was successful and the zoning changed to Business B. A few years later the block between Bay and Hancock was also rezoned to Business B. Thus zoning suitable to central business districts extended through to the center line of Green St. along almost two blocks of the existing residential neighborhood.

The possible preservation of a store was not a legitimate reason for a zoning change. All consequences of Business zoning in this area were not taken into account. MIT gained less restrictive zoning on its property, but the project that might have ensured the long-term existence of a grocery store on the site was never built.

Zoning amendments that benefit an individual developer and do not benefit the public are invalid. A grocery store might have benefitted the public, but there was no link between the store and the zoning. Thus, the zoning itself had no public benefit.

1980 DOWNZONING PETITION (Included the north side of Green St., Sellars to 629 Green and the south side of Green St. 452 to 528 Green)

In 1980, a petition was filed that would have rezoned to Residence C-1 those portions of Green Street in Riverside that were not already zoned C-1.

This petition enjoyed widespread support from nearby residents who sought to protect the residential neighborhood from the negative impacts of high-density, large-scale, Mass. Ave.-oriented development.

The petition was opposed by large property owners and potential developers of the sites. Some of the opponents stated that the proposed zoning would encourage the "continuation of the blighted conditions in the area" because desirable development would no longer be financially feasible.

Although the Planning Board's findings expressed the need to protect the existing residential neighborhood on Green Street, their recommendations included Residence C-1 zoning only on the blocks between Hancock and Sellars Street (north and south side of Green).

The rest of the north side of Green Street was classified as "the south side of Mass. Ave." and a new zoning district designation, Business B-1, was created for this area. The new zoning provided a 45-foot-deep buffer area on Green Street limited to residential use or green space. It was meant to provide an area of transition between the business district on Mass. Ave and the residential neighborhood on Green Street.

In neither of the two buildings constructed under Business B--1 zoning was this buffer a success.

In its decision to recommend C-1 zoning for Green Street between Hancock and Sellars, the Planning Board stressed the residential nature of this area:

> Area III is predominantly a residential use area. However, its existing zoning contains an Office 3 district as well as a Residence C-2 zone. Most lots in this area are developed at densities between Res. C-1 and Res. C-2. The two major concerns in this area, then are to preserve the existing residential character and establish a reasonable height requirement compatible with residential use. Therefore, rezoning to Residence C-1 is proposed.

The section of Green Street between Hancock and 629 Green was (and still is) equally residential. The densities, number of non-conforming (to C-1) buildings and uses are similar.

Here, instead of imposing zoning compatible with residential areas, an attempt was made to lessen the impact of Business zoning. This attempt was unsuccessful, because even with modifications, Business zoning was and is not compatible with the small-scale residential nature of our neighborhood.

Consent communication #35

Referred to the Petition

Submitted by John Sweeney 36
622 Green Street at meeting
9/9/96 - P Lohnes Petition
During Public Comment.

Talking Notes for Meeting [May 22, 1996] regarding the 1008 Massachusetts Avenue Development:

Subsequent to the two public meetings held at the Cambridge Planning Department and at the suggestion of the developer and architects for the above mentioned project, a neighborhood group was formed to work collaboratively toward a successful design and build of predominantly residential use of the site at 1008 Mass Avenue.

The neighborhood group was impressed by the responsiveness of the architect and developer to the concern voiced at the first public meeting. We were further pleased at the creativity and good faith exhibited by the changes made to the project, in such a timely fashion, for the second meeting. A very favorable impression of the possibilities of this collaboration has been established.

In an effort to build on that, a smaller "team" has expressed interest and is willing to commit the time necessary to create an ongoing dialogue between the neighbors and the architect / developer. It is our sincere desire to work constructively, openly and flexibly toward the goal of a successful development of that location.

The neighborhood group brain stormed a list of its concern, which is attached. The "team" has felt that in order to begin a dialogue, perhaps addressing the areas of greatest initial concern could e the best way to start.

* Because understanding drawings is often times difficult for lay persons, and because communicating clearly and effectively the design of the proposed building will minimize miss-information, it would be extremely useful if we could have a simple massing-type model of the proposed design to assist in its visualization.
* The inclusion of mechanical plant would greatly assist the understanding and hopefully assuage the concerns that have been raised in this regard. The detailing on said model could be added as the design process itself becomes more detailed. This can work as a very effective tool in keeping us all better informed and minimizing confused objections.

* The area of greatest concern to all is in the massing of the project and in the roof line height of the townhouses proposed for the Green Street side of the site. Perhaps our first discussion could focus on these concerns.

Conclusion of meeting: Can we continue to meet and how frequently? If so...
Schedule a next meeting_____.

1008 Massachusetts Avenue Development - Neighborhood Design Revision Requests

The neighborhood group concurred that all future presentations given by the architect and developer pertaining to exterior views of the building should be done using the following methods in order to convey as clearly as possible the direct horizontal and vertical relationships of the proposed development to all of the neighboring existing buildings, including houses,.impacted by this project.

- CONTINUOUS ELEVATIONS. (Show all existing adjacent buildings to scale. New building to show proposed penthouse/mechanical level as well).
- CONTINUOUS SECTIONS. (Show all existing adjacent buildings to scale. New building to show proposed penthouse/mechanical level as well).
- BUILD A SIMPLE MASSING-TYPE MODEL OF PROPOSED DEVELOPMENT WITH SOME DETAIL. (Include mechanical/penthouse level and paste-ons indicating proposed locations of the type of exhaust vents outlined in Item #1 below. Also include simpler adjoining models of 1000 and 1010 Mass Ave to illustrate the overall mass of the site in general.)

1. LOCATION OF EXTERIOR EXHAUST/VENTILATION DUCTS AND GRILLS. (Concerns re: noise levels, particulate and/or fume emissions such as at Bay Square not occuring in this building particularily in locations directly impacting abuttors on Green Street and side of 1010 Mass Ave).
2. THREE STORY TOWNHOUSES ON GREEN STREET. (Not four story as currently proposed).
3. CREATION OF 3 - 4 "FAMILY SIZED" (3 BEDROOM) TOWNHOUSES ON GREEN STREET. (Not all 1-2 bedrooms as currently proposed).
4. RESIDENTIAL CHARACTER, SCALE, AND EXTERIOR BUILDING FINISH MATERIALS ON GREEN STREET TOWNHOUSES. (Not all masonry/stucco as currently proposed).
5. REDISTRIBUTE GENERAL MASSING TO DE-EMPHASIZE THE "BULK" OF THE BUILDING - AT ALL ELEVATIONS (SIDES) OF BUILDING. (Special concern over exterior building finish materials and exterior articulation in relationship to Green Street and side of 1010 Mass Ave.).
6. PRESERVATION OF THE HOUGHTON BEECH TREE, IN ITS PRESENT THRIVING STATE, AND OF ITS SITE FOR FUTURE TREE PLANTING UPON ITS DEATH. (Perpetual maintenance clause written into property deed for the tree and its site and the starting of a seedling tree from the parent tree well before its demise for future planting on the site.).
7. WATER TABLE. (Professional independent study of existing situation in an effort to preclude any potential future problems from developing as a result of this proposed construction).
8. WATER, GAS, AND ELECTRIC UTILITIES. (Professional independent report to verify that present adequacy will not be comprised by the proposed development. Study to include information on possible required upgrades and maintenance).
9. EXTERIOR LIGHTING. (Sensitive to neighbors).
10. REFLECTIVE BUILDING MATERIALS, IF ANY. (Sensitive to neighbors).
11. "REDESIGN" OF SULLIVAN PARK. (Special emphasis on a more secure fence and 24 hour video surveillance and appropriate "lock-up" times. Inclusion of a perpetual maintenance clause of this area written into the property deed).
12. PLANTING OF TRADITIONAL-SCALED STREET TREES SUCH AS RED MAPLES, OAKS, CHSTNUTS, ETCETERA WITH A MATURE HEIGHT OF 50 PLUS FEET FROM BAY STREET TO, AND IN CONJUNCTION WITH MIT, THE BACK OF 1010 MASS AVE. (Maintenance clause for these trees to be written into prospective property's deeds).
13. CREATION OF A FINITE NUMBER OF 1008 MASS AVE BUILDING PARKING SPACES RESERVED FOR BUSINESS AND RETAIL USE. (This as an attempt to alleviate a portion of the parking space problem that is going to occur with the loss of the present lot. Consider including owners of those houses abutting the project without space required for a driveway as potential usage candidates as well).

Consent Communication #36

Communication was received from John Sweeney, 622 Green Street, regarding the 1008 Massachusetts Avenue Development.

Ordinance Committee
City of Cambridge
57 Inman Street
Cambridge, MA 02139

Dear Members of the Ordinance Committee:

We are writing to support the down-zoning petition for 33 Linnaean Street from Residence C-2 and Residence B to Residence A-2. We are conveying this support by writing because we will be traveling outside the country on July 9.

We live in the neighborhood surrounding Linnaean Street and know intimately the congestion that already exists here. We had two children who walked to Peabody School, and we know that many children still do. Heavy traffic that endangers the safety of the children attending Peabody School has always been a concern of the neighborhood.. Any addition and expansion of the existing building on 33 Linnaean, which is diagonally across the street from the school, would add to the already heavy traffic in the area. The zoning for #33 is an aberation, done for political reasons 20 years ago. We must not let greed and commercial interests to destroy our neighborhoods.

We urge you to support the petition because we are confident that you would want to protect the safety of our children and the character of our neighborhood. Your support will reduce further crowding by inappropriately over-sized buildings in this area.

Thank you for your support and consideration.

Sincerely yours,

William and Ruth Hsiao
