EXECUTIVE DEPARTMENT
ROBERT W. HEALY
City Manager

RICHARD C. ROSSI
Deputy City Manager

February 28, 1994

To The Honorable, The City Council:

This is to advise you that I have appointed Michael Nicoloro P.E. of 156 Spring Street, Cambridge, as Managing Director of the Cambridge Water Department effective March 21, 1994.

Mr. Nicoloro was one of three finalists in the recently completed and highly competitive search process for Commissioner of Public Works. Given the timeliness and complexity of issues to be dealt with at the Water Department, I believe it unnecessary to delay an appointment for the approximately six months it would take to go through a lengthy process, when a perfectly qualified individual has emerged from a similar process.

Mr. Nicoloro has management, personnel and engineering skills and experience in a public utility environment. He is a registered professional engineer and a life long Cambridge resident. I believe this rapid replacement with a well-qualified Cantabridgian will serve the City well.

Attached is Mr. Nicoloro's resume.

Very truly yours,

Robert W. Healy
City Manager
