To the Honorable, the City Council:

In response to City Council Order No. 11 of December 22, 1986 , the Acting Commissioner of Public Works Richard Rossi has instructed Sewer Foreman Gerry Lucey to clean all sewers along Magee Street. As of this date, all catch basins have been cleared, and at the corner of Magee and Calender Streets, the basin was excavated at the lateral and cleared. According to Mr. Lucey, this action is an appropriate response to the Council's request.

Very truly yours,

Robert W. Healy
