IN CITY COUNCIL

February 10, 1992

COUNCILLOR WALSH

ORDERED: That the City Manager request the Commissioner of Public Works and, if necessary, the Managing Director of the Water Department to take immediate steps to remedy the severe pothole and roadway depression related to some type of construction at the intersection of Brookline and Chestnut Streets. This condition, with little or no signage to indicate its presence, has been particularly hazardous to motorists during the past week when late evening and early morning icing occurred at the site; and be it further

ORDERED: That the City Manager report back to this City Council on implementation of this request by February 24, 1992.

In City Council February 10, 1992.

Adopted by the affirmative vote of eight members.

Attest:- Joseph E. Connarton, City Clerk.

ROBERT W. HEALY
City Manager

RICHARD C. ROSSI
Deputy City Manager

February 24, 1992

To The Honorable, The City Council:

In response to Awaiting Report Item No. 40, regarding a roadway depression at the intersection of Chestnut and Brookline Streets, please be advised that the Water Department was repairing a leak and a fire hydrant at that intersection which caused the depression. The Department of Public Works has patched the roadway and will make permanent repairs by May 15, 1992.

Very truly yours,

Robert W. Healy
City Manager
