Dear Members of the Cambridge City Council:

As Cambridge residents of 12 and 33 years we are pleased to see the new bike lanes on Mass Ave, Concord Ave and Huron Ave. The new bike racks in the city are welcome additions, too. And we are delighted with the positive re-design to calm traffic on Mass Ave.

Continue the thoughtful execution of good planning. The city needs to be responsive to the needs of all its citizens, including our pedestrian and cycling populations.

Sincerely,
Suzanne and Allan Mann
