To The Honorable, The City Council:

In response to Awaiting Report Item No. 99-84, regarding a report on the status of the payphones at Third and Cambridge Streets and in the vicinity of 403 Cambridge Street, please be advised of the following:

The Pole and Conduit Commission has been in contact with two companies which have placed payphones over or on the public way which have not received approval. They were given until April 16, 1999 to have them removed. They have not been removed to date. Thus, the Commission has called these companies to a meeting scheduled for May 20th to order removal by the City.

We will advise you of the outcome of that hearing.

Very truly yours,

Robert W. Healy
City Manager
