To The Honorable, The City Council:

In response to Awaiting Report Item No. 32, regarding the feasibility of setting up a Special Events hotline, Assistant City Manager for Human Services Jill Herold reports the following:

The Open Space Committee is currently exploring various software packages for permitting and scheduling of City events which will allow for increased communication between specific City Departments. The capability of transferring this information directly to a Special Events hotline is also being explored by the Committee.

Very truly yours,

Robert W. Healy
