Paul E. Healy, City Clerk
City Hall
Cambridge, Mass.

Dear Mr. Healy,

I am requesting that myself and other representatives of the United Electrical Workers at the Cambridge Thermionic Corp. (Cambion) be allowed to speak at the City Council meeting on Monday, September 27, at 8:00p.m. We wish to speak about the strike situation at Cambion and the involvement of the city government and police department there. We understand the the subject is already on the agenda as per a resolution introduced at last Monday's council meeting by Councillor Clinton, and feel that it is only appropriate that the union be allowed to address the Council on the matter.

Sincerely,

A handwritten signature in cursive script that reads "Sandra Polaski".
