CITY OF CAMBRIDGE.

OFFICE OF CLERK OF COMMITTEES, }
CITY HALL, CAMBRIDGE March, 10, 1888. }

NOTICE TO CONTRACTORS.

Proposals for Edge Stones and Circles.

Sealed proposals will be received at this office until WEDNESDAY, March 28, at 12 o'clock noon, for supplying the City with about 4000 linear feet of granite edge stones and circles (more or less), of the following dimensions: The stone to be of good average length, and no stone will be accepted of less than 6 linear feet; depth 18 inches; top 7 inches true to line, pene-hammered and turned on back 3 inches for brick; the face to be split straight, and free from bunches or depressions.

Proposals must state the price per linear foot delivered at the city wharf, Main street, Cambridge, near West Boston Bridge, from time to time as required by the Superintendent of Streets.

Separate prices are requested for delivering the same on the streets when required.

A bond in the sum of \$200 must accompany each proposal, the bond to be conditioned upon the execution of the contract within five days of the date of the notice of the acceptance of the proposal; or in place of such bond the bidder may deposit at the office of the City Treasurer a properly certified check for a like sum, payable to the City of Cambridge, such check to be returned in case the proposal is not accepted.

The successful bidder will be required to furnish a bond with sufficient sureties, in the sum of \$500, such bond to be conditional upon the faithful performance of the contract, and to be subject to the approval of the Committee on Roads and Bridges.

Proposals must be endorsed "Proposals for Edgestones, and Circles," and addressed to

EDWARD W. HINCKS,

Chairman Committee on Roads and Bridges.
City Hall, Cambridge.
