Dear Members of the City Council:

I am writing to respond to City Council Order No. 17 of 8 April 1985, expressing the opposition of the City Council to S. 2142, legislation relative to the regulation of condominium conversion of rent-controlled apartments.

The Committee on Housing and Urban Development has given S. 2142 an adverse report. The bill will be reported out fairly soon, and there is likely to be an effort to overturn the Committee report.

I will continue to oppose this bill, and I thank the City Council for taking action that will preserve not only the character of the City but also the right of a community to determine what its character will be.

If I can be of further assistance to members of the City Council, please do not hesitate to call on me.

Sincerely,

A handwritten signature in dark ink, appearing to be "GB", written over a horizontal line.

George Bachrach
